

Games for Guys and Gals,

I took over the Ladies Darts and re-branded it "Games for Guys and Gals", hopefully to give it a wider appeal.

Due to popular demand we are now meeting weekly on Tuesdays at 2pm at the Community Centre and there are usually about 8 of us, although we would welcome more.

The most popular game is Rummikub, with some of our group having played it since childhood, although I am quite new to this.

Darts seems to have fallen by the wayside, maybe because a few of us have trouble hitting the dartboard!

We are still good value at £1 per session plus 20p for tea, biscuits and lively conversation.

Best wishes

Christine
