

WORLINGWORTH SOCIAL CLUB

The social club has had a very good year now we open the bar at 6.30 and the family's come down the children can play and the parents can sit and have drink and keep an eye on their children. We have also had a lot of private bookings as well this is when it is hard on the bar staff as they are on the bar rota for Friday night bar, we desperately need people who would be happy to help us out on these invents.

We have donated £6000.00 pounds to the committee centre, plus we now have meters in the cellar to record the electricity use which is running at about £200 to £250 a month which we then pay the committee centre.

We also paid to have the fence cleared at the top of the field.

One more thing we are looking for a new Chairperson as our present Chair is moving.

The Fireworks this year as the new houses are being built quite near the field so we have decided not to have a fire just the fireworks
