Please note. All electrical items used in the hall have, by law, to be PAT tested for insurance purposes. Anyone wishing to bring electrical goods into the hall for their own use needs to send the booking clerk a copy of their PAT test certificate upon booking of the hall.

The heating in the hall is paid for by the user via a £1 slot meter. This is situated just inside the main hall, on the right hand side.

Decorating the hall. If you wish to decorate the hall for your event, please do not use a staple gun, selotape or indeed anything that will mark the walls. Blue-tack is the best option.
