Dear Friends,

Happy New Year!

I can imagine that many of us will be wondering what 2017 will bring. Some will be viewing the coming year with anticipation, some with apprehension and perhaps some even with fear. A new year invariably heralds change of some sort; as somebody once said to me, nothing stays the same forever, in this world, change is inevitable. The question arises: should we regard all change as inevitable? Indeed, perhaps we should be involved, support or even instigate some changes, after all, we don't live in a perfect world and some changes would be for the better. I am reminded of a well-known prayer:

God, grant me the serenity to accept the things I cannot change;

The courage to change the things I can;

And the wisdom to know the difference.

Jesus Christ certainly brought about quite a few changes and his ministry goes on changing the world for the better. Even so, the future can be unsettling for us all, but of course something that we can cling to is the timelessness of God, and that he will be the same tomorrow as He is today and was yesterday. St Paul makes this point in 2 Corinthians 4:16-18: even though our outer nature is wasting away, our inner nature is being renewed day by day. No matter what happens to us in the world in which we live, that part of us which lives in Christ, remains the same and is as timeless and unchanging as God. Jesus Christ is the same yesterday and today and forever (Hebrews 13:8).

If all seems bewildering and chaotic, remember that wonderful old hymn by Arthur Ainger: God is working His purpose out. There is purpose to the world in which we live, though it is sometimes hard to see and understand.

With my prayers and best wishes,

Ron

Carol Service and Christmas Spectacular.

We started the Christmas season with a lovely Carol Service on the 11th of December, with Ron Orams leading the service. Thank you to the Choir who sang three items, to Charlie our organist and to all the people who came to sing traditional carols. Children from our school also sang two songs which is always such an enjoyable part of our service and very much appreciated by the congregation. Special thanks to them and to the three teachers for giving up part of their weekend to be with the children. Thank you to Colin and Jenny Wilkinson for their gift of the Christmas tree and Bert and Charles for putting it up and setting up our lovely crib, and also to St. Mary's Ladies Guild and friends for the beautiful flowers and decorations.

Our second seasonal event was the Christmas Spectacular, put on for us all in St. Mary's on the 15th of December, by the teachers and children from our school.

This was really a magical evening, the children acting the nativity, narrating the Christmas story and singing beautifully as they always do. It was a joyful evening (even some dancing in the aisles) and we thank all those who worked so hard to make it such a success. Thank you to the Friends of the school for the very welcome refreshments they provided at the end of the service. It was wonderful to see the church so full of people enjoying themselves.

Finally, the PCC and our church members wish you all a really Happy and Peaceful New Year and we look forward to welcoming you in St. Mary's in 2017.

Sue,Carolyn and Annabel would like to say thank you to family, friends and neighbours for cards, letters and flowers when our mum Betty Threadkell passed away. They were very

much appreciated. We would like to say a special thank you to Nora Ingate for her thoughtfulness in placing flowers on the porch windows for the service. Thank you all.

Drinking in the last chance saloon!

A big thank you to all those folks who came to November's public meeting and subsequently felt able to submit a pledge to the Swan Worlingworth Community Pub Ltd (SWCP) committee. However, much more support is needed!

The initial response of 20 pledges received is rather disappointing and falls a long way short of what we were hoping for as a starting point. Therefore, we are now going to try to broaden the interest in our community pub project to save the Swan and increase significantly the amounts pledged, if we are going to achieve the community's wish of getting our pub back. So time to put your thinking caps on and seek out potential investors in or outside Worlingworth, spread the word, and let us know!

For our part, the committee is now going to look at new innovative ways of funding and generating more interest through more mainstream media outlets and organizations. This will be in the new year.

Remember, a big effort is required to restore our local pub for you the community, and this will just not happen without more interest being shown. Pledge forms are available from superflyer69@icloud.com or Adrian on 0782 6217840

Otherwise we will all be going down the swanny!!

Have a very Happy Christmas & New Year

Tribute to Percy West, King of Steppers

St. Nicholas Church, Bedford

Our church was beautifully decorated for our carol service. Fairy lights twinkled on the Christmas tree and a window with a large star of Bethlehem beaming bright.

The choir and the congregation heartily sang the carols and enjoyed mulled wine and mince pies at the end of the service.

We welcome the Elliott family who moved into Bedford in October. Michael, Laura and their son Liam came to the Christmas Fayre in November where several of us welcomed them. They are living at The Willows, Church Lane.

To all our friends and colleagues of Bedfield Church. Betty and I would like to express our heartfelt thanks for the service you arranged to dedicate the 60+ years I have played the organ at Bedfield. We have both enjoyed those years, especially the friendship and fellowship we

have received.

The cheque, the flowers and most of all the Best Wishes were humbling but very much appreciated. While there is a congregation at Bedfield who need an organist I will do my utmost to serve your needs.

Again many thanks and God Bless,

Dougie(and Betty))

Safari Supper 2017

The next Safari Supper is already in the planning and next year is on **Saturday 8 July**.

The theme is Hawaiian so, for those who like to dress the part, get your coconuts out and your brightly coloured shirt on!

For those new to the village, the Safari Supper is a popular annual event which raises funds for St Mary's Church restoration projects. Recent restoration has been to the flint work panels on the outside of the Grade 1 church.

We have about 11 starter houses and 11 main course houses around Southolt & Worlingworth and each house has between 6 - 14 people depending on the hosts capacity. Moving from starter house to main course you will sit with a different set of people and finally everyone meets up at the pudding house so it's a great informal way to meet people in the village and surrounding area.

The host houses are given the menu, the main ingredients and instructions. We will be asking for host houses next month but if you would like to register interest as a starter or main course host for a minimum of 4 guests please let me know.

The tickets will include a drink on arrival, starter, main, choice of pudding, coffee & cheese. (more details next month)

.Monk Soham Christmas Carol Service

The carol service was held at St. Peter's Church on the afternoon of Sunday the 18th of December, with the weather being kind to us, the sound of the bells ringing out and the church beautifully decorated (many thanks to those who decorated and who rang the bells) and an afternoon of joyful singing of carols.

Rev. Ron Orams led the service which consisted of six lessons and nine carols plus the choir singing the Anthem " Love came down at Christmas ". It was good to see more people in the congregation than last year, including a number of children. There were 12 members of the Benefice Choir who enhanced the singing, thanks to them and to those who read the six lessons, bringing the story of the Nativity to life.

Thanks to Gay & Geoff Clarke who provided the Mulled Wine & Mince Pies after the service which helped to round off an enjoyable service of festive celebration.

An urgent request from Mig Bacon in Brundish

Jack Russell terrier 'Pie' was snatched on Friday 23 September at around 2.30 – 2.45 in the afternoon. He was just out of my sight and there was a whooshing noise and he had disappeared into thin air. I subsequently (at least six weeks later) heard that **a blue van with three Geordies in it was trying to sell/steal dogs in Worlingworth that very weekend and someone had managed to get the number of the van. I would very much like to know if the person who took this number still has it and could pass it on to me to help me try to find my dog who I miss incredibly and worry so much about what has happened to him. Pie is a neutered male, completely white except for dark chestnut brown around his muzzle and ears, a white badger strip running up between his eyes and a small dark brown spot on his back by his tail. He is chipped.**

Please contact Mig on 01379 388808

Worlingworth Charities 2017 Update

The Trustees of the Worlingworth Charities would like to wish all parishioners a very Happy and Peaceful New Year .

Once again we have been able to make a small donation of £30.00 to some of the many Over 65 year old pensioner households in Worlingworth. All households with one or more long standing villager who are 65 years old or more qualifies - but we would once again like to thank all those who have declined this distribution which has helped us to maintain our financial support for the various village community activities.

As many of you will be aware the Worlingworth Charities consist of The John Godbold Trust which has the original objective of helping the church and the poor, and the Educational Trust which was set up to help education in the village.

In 2016 we have been able to contribute funds to help, the School, the Church, the Community Centre, and the Over 65's party as well as some teenage students who have asked for help with the purchase of study books for further education courses.

The current financial climate continues to be really difficult for the Charities so that we are having to make use of our capital reserves. However, as far as we possibly can we do want to make sure everyone who may qualify for a donation knows about the Charities , so if you know of anyone who is over 65 and has lived here for 5 years or more and who would want to accept a distribution from us ,or of any organisation who we should consider helping, or any young people with further education expenses who may need help please let us know, and we will do our best to help where possible and where the criteria of the charities allow.

We welcome Graham Catling who has joined the Trustees replacing long serving Jim Gobbitt who has retired - many thanks Jim for all your work.

Once again a Happy New Year to you all.

Chris Watson

Chairman of the Trustees of the Worlingworth Charities .
