Dear Friends

I love a party! But that's not always been the case. As a toddler, I was far too shy to enjoy social gatherings of any sort, and preferred to hide behind my Mum rather than join-in as all the other youngsters seemed to do. It perhaps had something to do with being "a unique child" – I much preferred the company of adults, and was a rather grown-up little boy. I think it fair to say I have regressed – since Ordination I discovered the child within me, and have enjoyed being childlike ever since! I now love parties, so to have yet another excuse for a national party seems a great idea. The Queen's 90th Birthday – what a great thing to celebrate, especially as she is still very much "on top of the job".

The Queen herself has actually underplayed the occasion; it's the rest of us who have been making such a fuss. However, she has used the opportunity to give thanks for the source of her strength, and in an unprecedented move she has been involved in the publication of a remarkable little book, *"The Servant Queen and the King She Serves."* Compiled by Mark Green and Catherine Butcher, the book focuses on the Queen's own words to show how her faith has shaped her life and work.

The main thrust of the book, as the title suggests, is our Queen's steadfast commitment to service – service to the nation and its people, service to the Commonwealth of Nations, and above all, service to God. In her Christmas broadcast of 2008 she said, *"I hope that, like me, you will be comforted by the example of Jesus of Nazareth who, often in circumstances of great adversity, managed to live an outgoing, unselfish and sacrificial life. He made it clear that genuine human happiness and satisfaction lie more in giving rather than receiving; more in serving than in being served."* In a strong statement of faith, the Queen has said that she is 'very grateful' to the nation for its prayers for her and that she has felt God's 'faithfulness' during her 64 years on the throne.

"I know just how much I rely on my faith to guide me through the good times and the bad...I know that the only way to live my life is to try to do what is right, to take the long view, to give of my best in all that the day brings and to put my trust in God."

The book is intended to be both a gift and a conversation-starter. Our Queen has been unashamedly open about her faith in Christ. Let us make the best of this opportunity that her Ninetieth Birthday has afforded, in sharing her testimony with as many as we can, as we continue to thank God for Her Majesty the Servant Queen, and for her faithful witness to the King of Kings. David

The Queen's 90th birthday.

Some thirty people joined in the service in St. Mary's to celebrate the Queen's birthday and prayers were said for her continued good health. Prince Philip was also remembered, having recently had his 95th birthday. The service concluded with the National Anthem.

Following this, some members of the congregation and others from the parish enjoyed an indoor picnic at the Community Centre.

Two weddings have taken place in St. Mary's during June

On the 11th, Matthew Stanford and Liana Young
and on the 18th, Darren Cotton and Lisa Drinkwater.

We wish both couples a long and happy future life .

Our Rural Dean, Susan Loxton, has arranged for a lady from a Dementia Trust to come and speak on the subject and on how we might help as churches, neighbours etc. **The date is Thursday 21st July 2.00pm - 5.00pm.** (There will be a break for tea!) Venue: Sancroft Hall, Fressingfield. Parking on the space next to the hall is OK. (the old garage). If anyone wishes to attend please contact Val Swallow on 628068 when, if necessary, we could share lifts .

Bereavement Group

When we lose somebody close very often we are not only left isolated by our sense of loss but also by the awkwardness people feel talking about it. If you would like a place to come and chat and enjoy the company of others why not come to Laxfield Rectory. We shall be meeting for the first time on Tuesday 12th July between 3 & 4. You do not have to bring anything except yourselves. Oh and by the way there may be tea and cakes as well.

The Worlingworth Car Treasure Hunt 2016

On Monday May 30th nine cars set off for an afternoon drive of 71 miles with 62 clues to be solved along the way. The weather stayed dry and a suitable blend of stress, excitement and endurance was experienced. It seems that a good time was had by all (with the possible exception of the car with 4 young children in it!).

The "treasure" of £50 was won by the Wilkinson family, with a score of 60 correct answers. Well done them! Close behind were Steve & Penny Wright with 58 correct answers and then Adrian Smith with 55.

Our special thanks to all who helped behind the scenes to make this venture a success.

The Treasure Hunt will be repeated next Spring Bank Holiday Monday (29th May 2017) so please reserve that date in your diaries. Next year's Hunt will include some refinements and changes which will make it **EVEN BETTER!**

News from Worlingworth School

School Topic Update

The Summer Term is always a busy one in schools! Sports Days, transfer days, school trips, leavers assemblies; the list is endless! It ensures that the second half of the term is a very enjoyable one! Acorn Class have enjoyed a trip to the Time and Tide Museum and Maple class have been finding out about life in Britain in the 1950s, including actively learning through a 1950s day. They discovered 'rock and roll' and how to jive with a partner (!) alongside understanding how Britain was changing socially after the end of the Second World War. We are now very excited to be moving on to the Swinging Sixties! Pop Art has hit the classroom - we have been focussing on Andy Warhol's work and the children have tried some of his drawing and printing techniques.

We have been studying Shakespeare, learning Midsummer Night's dream, organising a Tudor banquet, learning a Tudor dance, improving our Drama skills with a visit from the Wolsey Theatre and singing Tudor songs.

We have also been taking part in cricket coaching, with the Chance to Shine team.

Willows Nursery

Children start in Willows Nursery when they turn 3. The nursery, along with the rest of the school has recently been graded 'Outstanding' by Ofsted. The nursery is an exciting and stimulating learning environment, where children really flourish and grow! Mrs Ryan and Mrs Nice have worked very hard to ensure that the children are given the best start to their school careers. This term the children have studied horses, and had a visit from a horse! They have also visited Easton Farm Park and during their farming topic, a tractor came into school!

If you would like to come and look around the school, and see what we do, then please telephone the school office; 01728 628397. Visitors are always welcome. If you'd like to put your child's name on the list for our nursery class, then please also telephone the school.

Tea and Toys

Tea and Toys meet at 1:30pm on the 1st and 3rd Thursdays each month in the school hall. This is a great opportunity to meet with other parents and for the children to have some fun. Our themes this term include: Growing, Farms, Baby Animals and the Seaside. **Website**

Please do check the school website: www.worlingworthschool.co.uk as there are lots of photographs showing some of the things we have been doing at school. On the website you'll find links to lots of other useful websites to support your child's learning at school. We are also on Twitter! Follow us @WorlingworthSch and Facebook: WorlingworthSchool.

Bedfield & Monk Soham Gardening Club

On June 17th Penny Robertson of the Suffolk Beekeeper Group gave us a fascinating talk on all aspects of bee life, from managing a hive of bees, to the life of the queen bee, the drones and the workers and the important part they play in gathering pollen and nectar to feed the hive and pollinate crops. Penny was such an enthusiastic speaker full of knowledge. We asked many questions and all were answered in great detail. It was a thoroughly interesting evening.

Our next garden club get together will be a garden visit to Frythes Barn garden at Wilby on July 15th 7.15pm with refreshments afterwards. Please ring Barbara Lee if you would like to come on 01728 628 048 and she will give you details. Non members the charge will be £4 plus £2.50 for refreshments. Our garden club meetings are held at Bedfield Sports Club when we have speakers and we start at 7.30pm.

Bedfield Fete Saturday 9th July 2016

Worlingworth Celebrates for the Community, by the Community

When: Saturday 10th September 2016 - and for film
buffs, the evening of Friday 9th.

What: Free to all Worlingworth residents. A day and a night of
celebration. Something for everyone.

Where: The Community Centre and playing field.

Why are we celebrating?

We don't need an excuse to celebrate our Community and our Community
Centre, but brilliantly we have one!

This September 2016 marks the full repayment of the loan that was used to
finance the building of the current Community Centre 25 years ago. So let's
celebrate:

1. The fact we have a Community Centre, started by a hard working group over
40 years ago
2. The work undertaken by many to maintain and support the centre, both
today and in the past
3. The fact that every single village household has played its part in this
venture, by paying towards the loan, every year for 25 years. Of course many
have also chosen to contribute more, both practically and financially
4. The wide use of the Centre by organisations, clubs and societies as well as
private individuals
5. The potential the Centre has to play a part in the current and future life of
the village.

Here is the provisional programme. Updates and final times will be included
in the village magazines and on notices nearer the event.

BEDFIELD PARISH COUNCIL

Defibrillator Project

It was decided at the Bedfield Annual Village meeting that the Parish Council would try to raise funds to locate two defibrillators in the village to serve most of Bedfield and Monk Soham. This project will be in conjunction with the charity Community Heartbeat Trust (CHT). For further details of the CHT and defibrillators, please go to www.communityheartbeat.org.uk The defibrillators should greatly improve the survival chances of an individual following a sudden cardiac arrest

It is hoped to affix one outside the gates of Jewsons (subject to their final approval) to serve Bedfield Little Green and Monk Soham, as well as being convenient for visitors at Jewsons and users of the cricket ground. The second will be affixed to the Sports Club pavilion or in the refurbished kiosk . This would serve Bedfield Long Green, Monk Soham Green and users of the play area & sports field. Electricity is required to keep the units warm in winter.

The cost of the defibrillators and the associated fitting will be in the region of £4,000 and already Councillor Matthew Hicks has promised £400 from his Local Amenities Budget (MSDC), with the Bedfield Town Estate promising a donation of £1,000. Several villagers have also offered personal donations. Although the Parish Council hope has submitted an application to the Big Lottery Fund, other donations will still be very welcome. If you wish to donate please contact Geoff Robinson the parish clerk, who can be contacted on grobinson897@btinternet.com or on 01728 685425.

The provision of the defibrillators will be accompanied by a comprehensive awareness and training programme which Vince Prank has agreed to co-ordinate. Vince can be contacted on vinceprank@me.com or 01728 628419.

It anticipated that it will take approximately five months to complete the project due to the Big Lottery timescales.

Worlingworth Garden Club

Our May visit to Sundown was enjoyed by everyone and it was lovely to have guests from neighbouring clubs join us. The beautifully kept garden which we could view at leisure in good weather had many unusual plants and points of interest. The rhododendrons were delightfully colourful and the kitchen garden was enviable. We thank our hosts for a great day.

We now look forward to our visit on Thursday June 30th to Spencers Garden and are hoping the rain will not have spoilt the roses and delphiniums in this special 18th century walled garden.

On Wednesday July 27th we shall be at the Friends Meeting House to see the lovely garden there with the additional interest of the old Quaker burial ground. We will be happy for anyone to join us for the afternoon but please contact Janie on 01728 628 296 or email barughouse@aol.com beforehand as we will need to know numbers.

There will be no meeting in August but on Thursday September 27th we will be leaving in the morning to visit Audley End. Details will follow later.

New members always welcome. Please contact Janie for details.

Southolt celebrates!

Southolt residents and friends enjoyed a thoroughly royal celebration of Her Majesty's 90th. Birthday, despite a heavy afternoon shower which rained off the races and games. There was an interesting exhibition in the church of old documents relating to Southolt with an illustrated timeline of village history. Church Green was festive with bunting and flowers and a flagpole flying the Union Jack as we sat down to our picnic lunch at the beautifully decorated tables in the shelter of marquees. Grown-ups tested their knowledge on a Quiz while the children made new friends and played. The afternoon was rounded off with a splendid birthday cake, a hearty rendition of Happy Birthday to Her Majesty and a Loyal Toast.

Our evening BBQ was well attended by friends and neighbours. It was a very convivial evening with live music from George Coulson, our local young musical talent, and a communal sing-along to old favourites from Vera Lynn to Abba. We ate excellent food and a well-stocked bar helped encourage the singing! As darkness fell, we lit the beacon and watched the flames against the night sky to the stirring sound of the bagpipes – a magical finale to a successful day.
