*April 2016*

***Bedfield, Monk Soham, Southolt,  
Tannington and Worlingworth***

**Dear Friends,**

**April 2016**

One of the less attractive traits of human beings is the way we load expectations on to people that are unrealistic and unfair. Then, when the expectations are not met, we criticise the others and not ourselves.

Jesus was well aware of what people wanted him to be and do. He knew he could not be the conquering liberator of their imagination because his path was to lead to defeat and death – something very hard for his followers to accept. St Luke tells us that even when Jesus hung on the cross ‘the leaders scoffed at him, saying “He saved others; let him save himself if he is the Messiah of God, his chosen one!” The soldiers also mocked him, coming up and offering him sour wine, and saying, “If you are the King of the Jews, save yourself!” (Luke 23:35-37.) These must have been bitter words for the Son of God to hear, when he knew that he could have summoned legions of angels to release him from the cross, but chose not to.

In that choice he in fact exceeded all expectation. Instead of liberating the nation he sacrificed himself so that every man, woman and child in the world could come back to God. That’s how much he loved us.

No-one on that first Good Friday believed that Jesus would rise again, although he had told them he would. On Easter Day he turned defeat into victory and silenced the mockery of his enemies by a far greater miracle than stepping down from the cross would have been. However, he still didn’t do what we might have expected, namely to appear to the Jewish leaders and Roman soldiers. Instead he appeared secretly to his friends, that not very wonderful bunch of disciples. Gradually the message that he was alive again spread and spread, so that now all round the world people can rejoice in God’s great work in saving lost humanity. He has done far more than we could ask, or think, or deserve. It’s a secret that we can all share in one of our churches over this Easter season and beyond ‘Christ has died; Christ is risen; Christ will come again!’ David

**MOTHERING SUNDAY.**

Thank you very much to all the ladies who contributed so many lovely posies.

It was a really enjoyable service led by Ron Orams and good to see so many there, including our friends from Bedfield and Tannington.

Our Annual Parochial Church Meeting for Worlingworth and Southolt is on Thursday, 7th April at 7pm in St Mary's Church. Reverend David Burrell will chair the meeting.

At the vestry meeting the churchwardens are elected for the coming year and can be voted for by any parishioner on the civic electoral roll. Nomination forms will be in the church from the end of March. The second part of the meeting is for members on the church electoral roll, when we have the churchwardens' reports, financial reports and any other church business for the past year. Members of the PCC are elected, and Treasurer, Secretary and sides people are chosen.

Finally, a first brief meeting of the newly elected PCC is held if there is any urgent business to deal with.

We hope to see you there. The church belongs to everyone.

## Worlingworth Parish Council

*The next meeting of the Parish Council is on Wednesday 18th May at 7.30pm in the Community Centre. All are welcome*

***worlingworthparishclerk@gmail.com***

Minutes of previous parish council meetings can be viewed on the village website at [www.worlingworth.onesuffolk.net](http://www.worlingworth.onesuffolk.net)

**From this month onwards copies of the Church & Village News will also be available to read on the village website, address as above.**

**Broadband Options** At the March meeting of the Parish Council we were pleased to welcome County Broadband and Fram Broadband, who both gave presentations on their plans to bring superfast broadband to those parts of Suffolk that BT cannot at present reach (including some outlying areas of Worlingworth). The Parish Council are currently considering the information and what actions should be taken to ensure the best outcome for the village.

Further details can be found on their websites:

[www.countybroadband.co.uk](http://www.countybroadband.co.uk) and [www.frambroadband.com](http://www.frambroadband.com)

## **Keep Your Village Clean – Please Clear Up After Your Dog!**

The Parish Council have recently installed two new dog bins, bringing our total up to 6 placed strategically around the village. A 7th dog bin is currently being acquired and will be installed soon. There really is **no excuse** not to clear up after your dog. We live in a lovely village; let's not spoil it with thoughtless behaviour.

### **Thank You to All Our Spring Cleaners**

It was great to see so many of you turning out to spring clean the village and although it was a success with 10½ big black bin bags of rubbish picked up, it is a shame that so much needed to be collected. Please take your litter home with you. Thanks also to the ladies of the WI who took on the task of washing signs throughout the village as part of the 'Clean for the Queen' campaign.

### **Fly Posters in the Village**

There have recently been a number of posters put up around the village. The Parish Council understand that this is a useful way of advertising village events, but concerns have been raised about the legality of such posters and about the littering that they can cause. After much discussion at the last Parish Council meeting the general feeling was that posters relevant to the village will be tolerated (if they are not relevant they will be removed) and please take them down again straight after your event so that they don't disintegrate, fall off and turn into litter.

### **Bonfires**

The Parish Council has received a complaint about inconsiderate lighting of bonfires causing unnecessary nuisance to neighbours. Please be aware that anyone causing a nuisance in this way can result in the issuing of an "abatement notice" and failure to comply with this can lead to a fine of £5,000. Further details and advice can be found on the Parish Council news page of the website (see above).

## News from Worlingworth School

### Ofsted Inspection

We are delighted to provide you with a copy of the Ofsted report following our recent inspection. The inspector, Gulshan Kayembe, has graded the school “**Outstanding**” in all areas. This grading reflects the hard work and commitment from the staff, governors, parents and pupils in making Worlingworth the great school that we knew it could be. The report highlights that “Pupils thrive in a safe environment that nurtures both their personal development and their academic achievement.” Regardless of this “Outstanding” we will continue to drive our school forward to ensure that each and every pupil has the best primary school education possible. A copy of the Ofsted report is available from the school website: [www.worlingworthschool.co.uk](http://www.worlingworthschool.co.uk) or from the school office.

### Light Day

We enjoyed a ‘Light’ themed day, learning about light from the perspective of RE and Science. We developed our understanding about Jesus being Light of the world and how rainbows are formed.

### Book Week

Linking in to our whole school Reading Challenge this term, the children demonstrated real commitment and an enjoyment of reading during our special Book Week. All the children participated fully in the book week which was based around the theme : *Where does your reading take you?*. Daily Cosy and Buddy reading times encouraged the children to enjoy the pleasures of reading with others and in different places. It was fantastic to have parents and grandparents popping up all over the school - sharing in this calm reading time. On World Book Day the children all looked amazing dressed up as book characters. Our Big Book Quiz in the afternoon was a great success for all ages – with two teams showing off their book knowledge and drawing to win a prize! Finally we relaxed and got cosy with our bedtime story session – a reminder to all of us how wonderful it is to be read to at any age!

### Topics

Next term our topic will be ‘**Changes**’, particularly thinking about concepts that change over time. This is a very exciting topic, with scope for lots of project work! Willows will be focusing on ‘**Babies and Growing**’ and ‘**Melting, Mixing and Munching**’, Acorn: ‘**The Seaside and Holidays**’ and ‘**Equality**’ Maple ‘**Clothing, Food, Leisure and Entertainment**. We are looking forward to learning more about this topic!

### Tea and Toys

Tea and Toys meet every week at 1:30pm on the first and third Thursdays in the school hall. This is a great opportunity to meet other with other parents and for the children to have some fun. Tea and toys is run by a highly qualified Early Years teacher, and one of our Governors, Mrs Goodin, so please do come along and join in the fun!

For the last four weeks at least I have had a black and white cat living in my garden. He/she is quite chunky with short legs and eats the scraps which I put out for the birds. Since it has been very cold I have supplemented this because it is obviously hungry. However, I have my own cat and cannot take in another. Please let me know if you know who it belongs to.
