Dear Friends

October 2016

We hear so much about human rights these days and everyone is keen to claim what are their perceived rights. In some cases, this means that those with the loudest voice get their needs sorted out before those who are weaker and perhaps in greater need. A few years ago on the 'Any Question' programme on Radio 4 somebody asked the question, 'do animals have rights?' The first person to answer this question said that asking about rights is looking at the question from the wrong end and what we should be asking is what are our responsibilities towards animals?

This set me thinking perhaps as well as having a bill of 'Human Rights' there should be a bill of human responsibilities. Jesus was asked about this in the form of a lawyer's question 'who is my neighbour?'

Jesus said we all have a responsibility to make sure that our neighbour, (our fellow human beings), have all that they need. Jesus told the story of the Good Samaritan. A man had been attacked by thieves and left for dead in the side of the road, in the story the man had no right to be rescued but those who passed by had a responsibility to care for him. Two passers-by who it could be argued had the greatest responsibility to act, fail to help. The third passer-by, who was at enmity with the fallen man undertook his human responsibility and did help the man. It is he who is the true neighbour of the injured man.

Such a bill could in no way be one of equality because it would recognise that those who have the most would also have the greater responsibility towards others.

The whole ethos of such a bill would change our attitude from being aggrieved because we are not getting what we feel we need to one of making sure we fulfil our responsibilities to the needs of others.

As the poet, preacher and priest John Donne says, 'Keep us, Lord, so awake in the duties of our callings that we may sleep in thy peace and wake in glory.'

COMMUNITY CENTRE CELEBRATIONS.

Thank you to everyone involved in making this such a happy and successful weekend for the village.

St. Mary's Church would also like to say thank you for the loan of the marquee for our service on the Sunday morning, which was a lovely way to complete the weekend.

JUMBLE SALE.

On the 17th of September the second of our twice yearly sales took place in the Community Centre. It was very successful and raised much needed funds for our church.

Many thanks to everyone who donated items and helped on the day to set up, sell and pack away afterwards. To the people who also worked much of Friday afternoon to prepare for the sale, special thanks, particularly to Nora.

HARVEST FESTIVAL.

This will be on the 9th of October at 6pm in St. Mary's, led by Reverend Ron Orams.

We hope many of you will be able to join us for this service of thanksgiving for all God's Gifts from farms, gardens and the seas. We also hope lots of children from the school will come to take the traditional gifts to the altar to be blessed.

All the produce from the school and the church will be sold in the church on the morning of the 10th of October between 10am and 12noon. The proceeds raised go, as always, to an orphanage in Zimbabwe, which the school and church have supported for many years. It is good that we, who have so much, can share a little with these orphaned children in another land.

First newsletter now available but please contact Adrian Smith as requested above for future newsletter. In future, only dates of planned meeting will be in this newsletter

Welcome to the first edition of the Swan Inn Pub Friends Club newsletter. Thank you for signing up and we appreciate your interest. Do spread the word!

Your committee will keep you up-to-date and as often as possible with all significant events along the road to returning the The Swan back to full usage.

Firstly, we are close to the conclusion of forming the Community Benefit Society, which is currently passing through Companies House. The CBS will be named "The Swan Worlingworth Community Pub Limited". This is a necessary umbrella organisation to better negotiate with the pub freeholder and begin the process of preparing a prospectus for fund raising and other associated decisions. Additionally, we are in the process of contacting web designers to produce a "Swan" information website to better communicate with the village and surrounding area at large. This will supplement the "Friends" newsletter. Hopefully, we will find some generous soul to help us in this task!

As to the status of the pub at the moment, all that we can say is the freeholder of the Swan is still in the process of going to court to regain possession. Therefore, we are still in a holding pattern until vacant possession is confirmed. There is no certain indication of the timescale however. When we have some firm news on this then we will arrange another public meeting.

Lastly, I wish to emphasis that we are looking to add to our committee of hard working volunteers who are happy to contribute I.T. (such as web design) , architectural design, law or any sort of pub business planning. We would really love to hear from you if you can give your time to the cause! Please contact Adrian Smith

Worlingworth Walking Day – Saturday 15th October 2016

Building on the success of the first Walking Day held last year, we'd like to invite everyone to once again don their boots and explore the wonderful network of paths around the village, before returning to the Community Centre to enjoy a light lunch and report any findings.

Please meet at the Community Centre at 10.30 am where you can Adopt A Path (or two!) to walk. By ensuring all parts of the footpath network are walked any issues that may require attention can be reported. Last year on our Walking Day a number of issues were identified. These were reported by the Parish Council to Suffolk County Council who swiftly remedied all the problems. (see page 16)

****Note to landowners – please could you try to ensure that any paths which have been ploughed during field work are reinstated for Walking Day to ensure the day runs smoothly for all participants. Many thanks for your help.***

Jubilee Cup – Nominations Needed By Monday 7th November Please

Each year the Jubilee Cup is awarded by the Parish Council to an individual, team or group who deserve recognition for their achievements or service to the community. Any member of the community may nominate any individual, team or group for consideration by the Council. All you have to do is describe briefly (up to 400 words) why you feel they should be awarded the Jubilee Cup The Council will consider all nominations at the November meeting and the Cup will be awarded to the successful recipient (s) at an appropriate event soon after. If you would like to nominate someone, or a group, please send your nomination to the Parish Clerk at worlingworthparishclerk@gmail.com as soon as possible and by Monday 7th November at the latest.

Worlingworth Celebrates – A Big Thank You!

The Parish Council was delighted with the success of the Worlingworth Celebrates event and would like to thank and congratulate the hardworking team of volunteer organisers on the excellent use that they made of the £3,000 grant given to support the event by the Council. It was truly a fitting tribute to all the hard work over the past 25 years and it was a wonderful weekend which truly brought the whole community together. A number of surveys asking what villagers would like to see happening in Worlingworth in the future were handed out at the event and since. These will be collated and considered at the November Parish Council meeting. If you have a survey please ensure it is returned by 1st November to **make sure your views are included.**

Dear friends just to let you know of 2 services in October for Harvest

On Friday 7th at 2.30 pm we welcome all children and staff from Bedfield school to celebrate the harvest in 2016. As usual they will bring their gifts of fruit /vegetables/bread/ tins of fish and other contents and, most of all, their lovely singing/poems etc. If you haven't been to this service before, please feel welcome to come to this lovely informal service.

The following Sunday Oct 9th at 09.30 am the very popular Ron Orams from Laxfield will lead your village Harvest Service when more children will take part in presenting flowers/water/fruit/veg/bread/tinned food etc and be thankful for all that we enjoy in our country.

We will welcome any gifts you would like to bring and place in the windows or on the boards on top of the old pews at the back of the church.

Any gifts from the children and your good selves will be taken to Ipswich and presented to Lighthouse Organisation for the ladies who need to reside there, short or long term, in order to seek security in the domestic circumstances they find themselves in.

So please bring your harvest gifts for them on Saturday 8th or before the service on the 9th.

We will welcome you all to share in these lovely services.

Best wishes ; From Bedfield PCC and church members.

Bedfield & Monk Soham Gardening Club Pavilion 7.30pm

September's Garden Club was a talk on collecting seed from your garden with some history back ground and practical advice on how to do it. There was a great turn out with two new members. The Pavilion was pretty full up. We finished with doing some origami, making seed packets from pretty wrapping paper. We finished with a discussion on 'Putting the garden to bed' what it meant to each of us. Most of us did bits of it but not the whole hog.

October 21st in the Sports Pavilion will be our very popular Gardeners Question Time. Our panel will be David Clarke who was a director at Notcutts nursery and gardens in Framlingham. Maggi Thorpe and Ann Tweddle, who are both Plant Heritage members and have great knowledge on propagation, pruning and many areas of gardening.

If you would like to come as a non member it is only £3
You will be very welcome.

Monk Soham Church

The Harvest Festival service was held at St. Peter's Church on Sunday 18th September. The church looked very colourful with a large amount of flowers, fruits & vegetables everywhere. Many thanks to all who worked hard to achieve this. The fruit and vegetables were taken to the Women's Refuge. The service which was led by Rev. David Burrell, who gave thanks for our harvest and for the work of farmers over the past year, was very enjoyable with traditional harvest hymns being sung.

Hire of Bedfield Pavilion and Sports Field Long Green, Bedfield

The excellent facilities and beautiful field is managed by Bedfield and Monk Soham Sports Club on behalf of the Parish Council and is available for hire at a flat rate of £10. This is, of course, much less than charged by similar organisations locally. It is perfect for quiz nights, meetings, parties and other similar activities. Its hire is not limited to residents of Bedfield and Monk Soham.

Also available for short term hire is a heavy duty barbeque and other equipment by arrangement with the Sports Club on a one off basis and subject to an undertaking to replace any damaged or lost items. Again the charge will be £10 per hiring, irrespective of what equipment is borrowed.

We are currently looking for a long term tenant to use the football field, although "one-off" games will be also welcomed. The hire will include the use of the pavilion and changing rooms for games and the rent subject to negotiation. If you are interested or know an organisation that may be please contact Jacque Grice at The Crown public house on 01728 628431

To keep administration simple and comply with our insurance company **all** hirers must collect the key from Jacque at The Crown immediately prior to use and pay the £10 charge **at that time**. For all bookings contact Jacque on the above telephone number.

We look forward to hearing from you

MONK SOHAM COUNTRYSIDE GROUP

HUNGER'S GREEN

On a beautiful warm sunny afternoon in late June David Hughes from Mid Suffolk District Council led a bug hunt for the community on Hunger's Green. We were joined by children from Bedfield School and youngsters from Downham Care Farm. We had a great time with our sweep nets, caught lots of bugs and were helped to identify them. Some of the children were impressively knowledgeable. We had good fun and learned a lot so we plan to arrange a similar event next year.

A large part of the green was topped and raked in July leaving two sections, containing large amounts of knapweed for bees and butterflies to enjoy.

These areas have finished flowering and have now been topped.

We are still waiting for the electricity people to cut back the trees around the high voltage cables.

We plan to cut back another length of hedge this winter. Last winter we were indebted to a group of hard working volunteers. If you would like to get involved in caring for this lovely piece of old common land give me a call on 01728 685590.

ROADSIDE NATURE RESERVE (RNS)

This will be cut by the Highways Dept. in late September, but we need to rake it if the rare sulphur clover that grows there is not to be smothered. Give me a call if you would like to give a hand. Any help is always much appreciated.

By a regular bus user

High Suffolk Community Bus 2016

Going shopping and more. The High Suffolk Community bus is used by many for shopping in our larger towns, and it can be very useful. Last winter I was able to use the bus for most of my Christmas shopping, and the ever useful John Lewis in Norwich is my starting point, following on to the large street market where I search for some practical items. But although shopping is useful and can be enjoyable I like to think that my trips on the bus are more. The Castle Gallery in Norwich has been one of my favourite places, together with a hidden jewel of the magical garden 'the Plantation' near the Catholic Cathedral. Two Cathedrals in Norwich, what a find? On visits to Ipswich when walking through Christchurch Park, with the amazing old trees, it makes me wonder how old they are and how such a wonderful park full of interest came about? Going into Christchurch Park Mansion not only do they have a café and toilets, but in a gallery on the second floor pictures by Suffolk artists including Constable and Gainsborough. Christchurch Park Mansion is free to enter and is staffed by many volunteers with so much local knowledge. What a treat.

It can take a little longer to go by bus than car, but you don't have to worry about parking and the bus goes straight to the centre of the towns. Having watched many cars looking for car park spaces, I am always pleased I am arriving by bus in Bury St Edmunds. The three hours in town gives me time to wander the wonderful Abbey Gardens, winter or summer, as well as buying produce in the market. During the colder months, I have spent time in St. Edmundsbury Cathedral and St. Mary's church next door. Within St. Mary's Church is the final resting place of Mary Tudor, Queen of France, and the chapel of the Royal Anglian Regiment. What rich heritage on our door stop. I have often wondered how they came to have two large churches next door to one another? Perhaps I will find out on my next trip.

Using the High Suffolk Community bus, has got real practical advantages for the weekly shop as many of the final stops are near to large supermarkets and the services coincide with market days. Tuesday's Market- Framlingham/Co-op, Thursday's market- Stowmarket/Morrisons, Norwich and Ipswich /Sainsburys. The drivers who are all volunteers are welcoming and helpful and on days when life can seem mundane after another week of rain and not getting out, they make life more friendly. Fellow passengers are often a source of helpful advice and good company making the journey go quickly with conversation. **Do you have story to tell? Let others know how you use the bus; it's our bus, use it don't loose it.** Do you have a current timetable? If not, contact Gerry Garwood tel: 01728685415 or John Ridgwell 01728627181 who can send you one. Information and requests

“Blue van doing its round on Mill Rd asking if anyone wanted fish, knocking on doors. Pretty sure it’s that scam that’s been happening. They were Geordies 3 guys in white coats. First part of reg WK55, didn't manage to get the rest of it unfortunately but police were informed. Please make people aware in Worlingworth area”. (Received from Face book member on 22nd September)

Some consideration for neighbours

I live in Cordys Meadow and someone at the back of Maisies Meadow keeps lighting bonfires in the afternoons, (about five so far during the hot spell of weather). ? **Anon**

St Mary’s Church is once again joining with the children of **Worlingworth CEVP School** to pack boxes for the Samaritan's Purse Operation Christmas Child Charity which sends covered shoe boxes of small gifts to children overseas, who are less fortunate than our own.

If you would like to be involved in this in some way either covering and packing a box, covering boxes or just making a donation, please contact Janie Wood 01728 628296. A leaflet giving further details plus suggested gifts, and items not permitted, is available from the school reception, church or Janie.

We will be packing boxes with the help of the children on the afternoon of **Thursday 20th October** and you are welcome to join us.

9th/10th SEPT 2016

A weekend of celebration was held at Worlingworth Community Centre and playing field to mark the final payment of the loan taken out twenty five years ago to help build the Community Centre.

The celebration began with a Friday film evening and Akenfield proved very popular and this was followed on Saturday morning with children's films before the opening ceremony.

This ceremony was a re-enactment of the original, with Pat Kench and Alan Havers carrying out the opening, which was originally performed in 1992 by Pat's aunt and Alan's father. This community centre project started forty years ago and a photo exhibition provided a memory lane of these years.

A full programme of events followed to suit all age groups including competitions such as an "ice off" cake competition, fancy and recycled dress, decorated hats, miniature gardens and odes to Worlingworth.

Musical entertainment included Stradbroke High School Band, Worlingworth Primary School choir, the Broadside Boys, and a traditional dancing group who demonstrated various dances including step dancing with accompanying musicians. As a finale the band "Accolade" entertained in the evening.

Funding was provided by Worlingworth Parish Council and private sponsorship which enabled the whole event to be free to all village residents.

It also gave the opportunity for the Community Centre user groups to display their wide range of activities and show how they, together with the hire of the hall and fundraising, give ongoing support for the upkeep of the hall and playing field.

WORLINGWORTH CELEBRATES WEEKEND

9th/10th SEPT 2016

THE WORLINGWORTH CELEBRATES COMMITTEE WOULD LIKE TO THANK ALL THOSE WHO PROVIDED FUNDING FOR THE EVENT, ESPECIALLY THE PARISH COUNCIL AND THE PRIVATE SPONSORS
THE COMMITTEE WOULD ALSO LIKE TO SAY A HUGE THANK YOU TO ALL THOSE MANY PEOPLE IN WORLINGWORTH WHO CONTRIBUTED THEIR TIME AND SO MUCH EFFORT TOWARDS MAKING THE WEEKEND SUCH A SUCCESS. THERE WERE FAR TOO MANY PEOPLE INVOLVED TO NAME THEM ALL BUT THANK YOU, ALL OF YOU. WITHOUT YOUR HELP IT WOULD HAVE NOT BEEN POSSIBLE.
