Worlingworth Primary School Car Boot Sale

**CARBOOT
SALE**

Have you got
bric a brac, clothes, toys or
books clogging up the garage?
The Friends of the School are
organising a Car Boot Sale on
Saturday 14th July at the
Community Centre. A pitch will
cost £5.00 (to go to the
Friends) and then all monies
received from your sales you will
keep. Look out for more
information in the village and
via the school. (check with
school for time)

!!!!!! POSTPONED - Dance in a Barn !!!!!

Unfortunately we had to postpone the 'Dance in a Barn'
due to disappointingly low ticket sales. We hope to be
able to reorganise it for later in the year.

The Committee has been informed by the estate agent
that the owners have said that the offer that was put forward for the
Swan is "too low at this stage". They are also wanting to impose
various terms and conditions which we are not prepared to accept. We
are currently seeking advice as the owners have also called into
question the 'Asset of Community Value' status that has been placed
on the pub by the Parish Council to protect the pub for the village.
The Committee will issue updates regularly at this critical stage in the
proceedings.

BENEFICE CONFIRMATION SERVICE.

This will take place on the 29th of July at 3pm in Brundish Church. Bishop Martin will officiate. Please come to support all the candidates including **Diana Totten from Worlingworth.** (see below)

Benefice Communion, Confirmation and Licensing Service followed by a Parish Picnic.

3 p.m. 29th July at St Lawrence’s Church.

Our special guest for the day is the Right Reverend Martin Seeley, the Lord Bishop of St Edmundsbury and Ipswich and, if the record books are accurate, it has been over sixty years since a Diocesan Bishop has visited Brundish for a service so you can see this is a very special occasion. During the service the Bishop will confirm candidates from the Benefice, license our new Lay Elder, Christine Smart, and formally introduce our new deacons for the Benefice, Rebecca Artiss and David Mulrenan. After the service there will be a “Bring and Share Picnic” in the churchyard if the weather is good or inside the church if not. Refreshments will be available. The Chantry Singers, directed by Michael Spencer, will be there too. This will be, quite probably, the biggest service we have had at Brundish in living memory and the only service in the Benefice for that day so please make a big effort to be there where you will be made most welcome, as always.

Choral Evensong.

6.30 p.m. 1st July at St Lawrence’s Church, Brundish.

This will be a special choral service with the Chantry Singers to celebrate the ordinations of our two Deacons, David and Rebecca, the day before at the cathedral. You will be very welcome.

Bedfield & Monk Soham Gardening Club

In June we visited two gardens in the village belonging to garden club members, Marion & Steve, Anita & Graham. Each owner had questions about their gardens hoping that the members could give some ideas to help. Both gardens had different challenges, one small and one large. Each owner had several questions which we hope had good helpful answers.

Anita & Graham kindly gave us teas & coffees with cakes & scones in the garden cooked by Anita and other members. Thank you to all who contributed to the evening.

There is no Garden Club meeting for July as we will be very busy with our garden stall at the Bedfield & Monk Soham Fete on July 7th

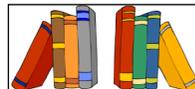

Come and visit us.

THE BEDFIELD TOWN ESTATE - BOOK TOKEN SCHEME.

ATTENTION TO BEDFIELD PARENTS / GUARDIANS OF STUDENTS IN YEAR 6 AND YEAR 11

Part of the BTE remit is for the education of children in the Parish of Bedfield. If you have a child in Year 6 and moving onto secondary school or Year 11 moving onto 6th Form or college the BTE Trustees would like to recognise this part of their educational path by presenting them with a book token.

For information on how to apply for this please contact Trustee Denise Mazurkewicz on 01728 628444 by Thursday 12th July.

In need of general help in setting up gadgets such as Amazon Echo, Amazon fire stick and surround sound system. Please contact Carol on 01728 628721 Thank you.

WORLINGWORTH GARDENING CLUB

For our May visit we went to a RHS garden in Yoxford. An interesting garden with a long history which showed in the size of the trees and shrubs. One tree had us particularly puzzled but it was a magnolia even though the flowers were yellow. We should have realised quicker as the house name is Magnolia House! This tree had been planted 40 years ago. There is also a huge wisteria which is much older. The owners were very good to let us come as they were rushing around preparing for a wedding being held in the garden.

Wednesday 25th July will find us at Raveningham Park in Norfolk. This is another RHS garden with a large restored conservatory, walled kitchen garden and herbaceous borders. As this is a large garden we may be grateful that it also has a tea room!

For those who don't have transport there is usually a car with a spare seat or two. Please check with Janie.

There will be no meeting in August but we will meet again on Wednesday 26th September to go to Abbots Hall, Stowmarket.

Members watch your e-mail for info as usual. Anyone else interested in joining our club or our visit please contact Janie on 01728 628 296

Dog Fouling in the Village

Unfortunately, yet again the Parish Council has received complaints about dog fouling around the village. This time the area outside the Primary School has been particularly badly affected, causing distress to children, staff and parents alike. The Parish Council funds a number of dog litter bins around the village, so there are plenty of facilities to enable dog owners to clear up after their pets. Don't forget to take your poop bag when you go walkies and remember there is a potential fine of up to £80 for not clearing up after your dog.

Fish and Chip van on **Saturdays** at Worlingworth Community Centre Car Park **Permanently Cancelled.**

From the Safari Supper Committee

Many thanks to all the hosts, raffle prize donors and Keith Wilson for his generous donation of Pimms for the evening. With all of your help and the guests for coming along we raised £1380 towards St Mary's Church Water Project. THANK YOU!

Summer Celebration

Rehearsals are well underway for a spectacular Viking themed performance to take place at the Community Centre on Friday 20th July from 2pm. There will be performances from our Years 4-6 musicians followed by singing, poetry and a Viking play. The Friends will be serving delicious refreshments afterwards. All our welcome to come along and enjoy the end of year show.

Hollowford Residential Trip This month our Year 6 pupils will be off to Derbyshire for 5 days with Miss Owen for an exciting residential trip, where they will participate in lots of challenging activities including caving, climbing and raft building and get to explore a different region of the UK. We wish them lots of fun on their special adventure

Whole School Trip The whole school is off to Mountfitchet Castle in Essex towards the end of the month to find out more about what it was like to live in a Norman Castle. The children will explore the village and castle, feed the livestock and find out about weaponry and defence systems. It looks set to be a memorable trip and a fantastic way to bring our whole school topic to a close.

Leavers' Assembly On Tuesday 24th July we will be saying goodbye to our hard-working Year 6 pupils as they take the next important step on their educational journeys and begin High School. We will be holding a special assembly for our leavers at 2.30pm. Family and friends are all very welcome to join us and to wish them lots of success in the future.

Dictionary Donation We are delighted to have been chosen by the Suffolk High Rotary Club to receive a set of dictionaries for our KS2 class. In a special assembly, the President of the Rotary Club is coming to present to them to the children this month, where she will explain to the children about some of the valuable work the club does with children in third world countries.

JRSO & Bikeability This month our Year 5 pupils will have the opportunity to develop their cycling skills and road safety knowledge through two days of cycling training and exercises. Meanwhile our two Junior Road Safety Officers are preparing to attend the JRSO Awards at Endeavour House in Ipswich, where they will have tea and get to ask the councillors questions about road safety in our area before being awarded Gold, Silver or Bronze for their work this year in our school. Good luck to them!

Fairies and Elves Our tea and toys group is called Fairies and Elves and it is held the first Thursday of each month at the school from 1.30 – 3.00pm. The next meeting is Thursday 7th July 2018. We welcome young children who would like to enjoy singing, stories and some craft activities with their parent, grandparent or carer – babies are welcome too! It's a chance to meet others, relax and have a cup of tea.

Bedfield School

The last few months at Bedfield School have been busy and eventful with the children taking part in many different activities. Firstly we all would like to say a big well done and congratulations to all the Year 6 children who took their SATS tests this year. We were so proud of the effort you put in and are pleased that you can now focus on the excitement of going to high school in September. Many other children in school took part in tests at the same time and again we were delighted to see such positive "can do" attitudes during that time.

We have had a busy sporting schedule over the past couple of months with teams from the school representing us in Mini Tennis and the Quad Kids Athletics, where teams from Years 1-4 took part in a variety of events such as long jump, running and Vortex throwing. Both teams came 4th in their competitions, so well done for all the effort you all put in to these

events. More recently children from Years 5 and 6 have taken part in Bikeability courses which has given them all the confidence and know-how to now ride safely on the roads.

Class 1 have been investigating castles and recently visited Framlingham Castle to explore the rich history of our famous local attraction. **Class 2** have been looking at habitats and classification of animals and have been able to

use the local environment of Hunger's Green to explore the local wildlife. **KS2** have all started their new topic of "World Cup Magic" this half term and will be investigating all the countries involved in the tournament. They began the topic with a day of dressing up in their given country's flag colours and starting work on posters to be displayed in their classrooms. Year 5 are looking forward to their enrichment day at Thomas Mills High School which involves the children taking part in many activities along the theme of "Magic Mystery". Year 6 also have their last induction day at Debenham High School

this month. We look forward to hearing how they all got on. The Friends at Bedfield School (FABS) have been involved in Bags to School recently and have been very successful in the amount they have raised, so thank you to all who contributed. The Bedfield Fete is on the 7th July this year and FABS will be running a stall with table-top games, glitter tattoos and a tombola. They will also be serving refreshments in the Sports Hut. In addition children from Bedfield School will be singing at the event. Please do come and support our school and FABS to make it another successful fund raising event. Fingers crossed for some lovely weather this month so we can all enjoy the lovely countryside we live in! We look forward to letting you know all our news next month. www.bedfieldschool.co.uk

Worlingworth Newsletter Content From Dr Dan Poulter MP

The Suffolk Show never fails to deliver and this year was another incredible bumper year for the county's flagship event at Trinity Park. Kicking off a busy schedule, I was pleased to meet with senior representatives from the NFU to talk about the organisations aims and ambitions for British agriculture post-Brexit. Key issues which featured highly on the agenda were trade deals and tariffs, allowing British agriculture to compete effectively with its overseas counterparts, but access to a competent and reliable workforce was highlighted as a key concern with further clarity required around seasonal workforces from the EU and beyond.

I regularly meet with our farmers and food producers here in Central Suffolk and North Ipswich and I am looking forward to welcoming a delegation to Westminster later in the autumn of this year.

It was a real pleasure to visit the team at Easton and Otley College, who invited me along to talk about their plans and exciting developments at the Otley Campus. The team were bursting with pride and enthusiasm and I am very much looking forward to visiting the Campus again soon to learn more.

So much great work goes on at the Suffolk Show to educate our children and young people on the importance of not only eating well – a healthy and balanced diet, but also eating locally and seasonally. The "Farm to Fork" initiative helps to raise awareness of how our food is produced and ultimately reaches our homes; this is so important in not only reducing the number of miles our food travels before it reaches our plates, but also in helping the environment and reducing carbon emissions.

The Suffolk Show is the perfect showcase for all that this great county has to offer and it certainly served as a timely reminder of all we have to celebrate ahead of this year's Suffolk Day. I was delighted to join my fellow Suffolk MPs in championing Suffolk Day once more on 21st June at an event be hosted in Westminster.

Driven by BBC Radio Suffolk and the East Anglian Daily Times, the inaugural Suffolk Day in 2017 certainly did everything it set out to do – and more, shouting about all that is great about Suffolk. Somehow I feel that this year's event was be even bigger and better than before.

Every day I represent the people of Central Suffolk and North Ipswich, I am incredibly proud of everything we have to offer here in this great part of Suffolk. I couldn't think of a better place to live and work and I am certainly very honoured to serve this very special part of the county. For more information, please visit my website

Dear Friends,

July. The start of six weeks school holiday. Again.

I well remember the different reactions to this time when I was a child; to me it was a seemingly infinite release into freedom from the day to day yoke and tedium of education and classroom tyranny. My parents on the other hand, who both worked, groaned at the additional expenditure of having me cared for and the worry of what I was getting up to in their absence...J A sentiment I shared when I had children.L

While there is so much more for children to do during the holidays and so many organisations including churches and chapels rising to the challenge, I am often concerned at how some children are being encouraged to the point of being forced to leave their childhood and become adults too early and take premature responsibility for themselves. As Reg Bailey, who is the author of the government sponsored report 'Let children be children' and former chief executive of the Mothers Union, said in his report, '...for children to be children, parents have to be parents'.A famous pioneering psychologist by the name of Erickson who established what we now know as the seven stages of life said that each stage in life must be successfully and wholly completed in order to move on to the next one. In short, childhood is important, it is the foundation on which we build the rest of our lives.Childhood should be a time of exploration and innocence; in his gospel Mark quotes Jesus as saying: 'Truly I tell you, whoever does not receive the kingdom of God as a little child will never enter it.' The image Jesus gives us is the ready acceptance and trust that children have, and that is how we should be with the Kingdom of God. As God does not abuse that trust, neither should society abuse the trust and innocence of children. Let children be children.

There is nothing like childhood and if you get the chance this summer, be a child again. It is a time to put responsibility and worries to one side and relax, but always make sure there is room for the presence of God.

With my prayers and best wishes,

Ron
