THANK YOU. St.Mary's PCC and the congregation, as a thank you to Keith Wilson, who recently retired as our Churchwarden, had a light lunch to show our appreciation for his service to St. Mary's. Keith was our Warden for some years and faithfully attended church and the many meetings that this role demanded. He will continue to be a very valued member of our church and remains a member of the PCC. As a very patriotic English gentleman he was presented with a David Austin rose named 'Sceptred Isle' and a book on the D.Day landings which we hope he will enjoy.

The family of John Smith would like to thank all those who gave donations in his memory. His charities, Caring For Life and Cogwheel Trust received £882 and £948 respectively

St Margaret's Southolt are planning a summer service on Saturday 27th July at 6pm to commission our replacement Church Organ. Afterwards there will be a BBQ , refreshments and entertainment on Church Green in aid of St Margaret's Chapel Fund.

The Swan – Re-Listed as an Asset of Community Value

Fantastic news for the village, the re-listing of this lovely old building confirms its place and value within the community, with wide support for the pub to re-open if at all possible as a hub for the village. Thanks go to Parish Councillor Juliet Pierce and Peter Allen from the Save Our Swan group, who together worked their way through the application process to a successful conclusion.

Parking Outside the Primary School – Respect the Zig-Zag!

It has been drawn to the attention of the Parish Council that a number of vehicles have been parking on the yellow zig-zag lining outside the school. These road markings been placed with the safety of the children in mind and all drivers are reminded that it is an offense to park on the lines.

Drone Use in Worlingworth

There have been a number of incidents concerning drones being flown over people's gardens within the village. There is a code of practice for drone use and users are reminded that they are held legally responsible for each flight please visit:

https://dronesafe.uk/wp-content/uploads/2019/02/Drone-Code_March19.pdf

for more information. (This document will also be uploaded to the village website and displayed on village notice boards). Please respect the privacy of your neighbours and use any drones responsibly and safely.

Funding Available

The Parish Council has some funds available that can be used to help support local charities and village organisations. If your group needs equipment or training, we may be able to help. All you have to do is complete a short application for funding form which can be accessed from the village website and submit it to the Parish Clerk, who will put it forward at the next available meeting for consideration.

Building Improvements The end of this month will see the arrival of builders onto the school premises as much-needed work on altering, replacing and improving the boys' and girls' toilets finally gets underway. Builders are going to be working throughout the summer holiday period and we have requested that they are considerate towards all our neighbours as much as possible during this time. Both staff and pupils are very excited by this project and we look forward to a grand opening in September and the cutting of the loo roll!

Pirates of The Curry Bean The children continue to work hard to rehearse our swashbuckling pirate-themed summer production which will take place at the Community Centre on Friday 5th July. There will be performances at 1.45pm and 6pm. The Friends will be serving delicious refreshments after the evening performance. All our welcome to come along and enjoy a fun-filled show!

Hollowford Residential Trip This month our Year 6 pupils will be off to Derbyshire for 5 days with Miss Owen for an exciting residential trip, where they will participate in lots of challenging activities including caving, weaselling and raft building. The trip means they get to explore a different region of the UK and to experience climbing a mountain – something not possible in Suffolk! We wish them lots of fun on their special adventure.

Leavers' Assembly On Wednesday 24th July we will be saying goodbye to our hardworking Year 6 pupils as they take the next important step on their educational journeys and begin High School. We will be holding a special assembly for our leavers at 2.30pm. Family and friends are all very welcome to join us to celebrate these special pupils and to wish them lots of success in the future.

Bikeability This month our Year 5 pupils will have the opportunity to develop their cycling skills and road safety knowledge through two days of cycling training and exercises. Whilst our youngest pupils in Penguin Class will be having a 'Bring Your Bike' to school focus where they will be learning how to ride safely and how bikes move.

Wear It Wild Day Thank you to everyone who donated during this animal fun-filled day. The children looked terrific in their costumes and raised £46 for WWF whilst learning lots about the endangered animals in our world and how we can protect them and our planet in the future.

Fairies and Elves Our friendly toddler group is called Fairies and Elves and it is held the first Thursday of each month at the school from 1.30 – 3.00pm. The next meeting is Thursday 4th July 2019. We welcome any young children who would like to enjoy singing, stories and some craft activities with their parent, grandparent or carer – babies are welcome too! In the summer months, the group tends to be outside in the Nursery garden as well as in the hall, making the most of the space and fine weather. Above all else, it's a chance to meet others, relax and have a well-earned cup of tea!

WORLINGWORTH GARDENING CLUB

On the last Wednesday of May we wound our way round the little roads to Cratfield to a lovely garden. There was quite a crowd of us but such was the clever layout of the garden that you never would have realised it if you had not all arrived together! Quite a boisterous wind was blowing that day but it really didn't matter as we wandered around. How pleasant to turn a corner and find a fellow member who was also enjoying the garden and sharing our observations. A great afternoon enjoyed by all.

On July's last **Wednesday -July 31st** – we will be near home at Stradbroke, visiting Fryth Barn.

Members will be e-mailed with details as usual.

Anybody thinking they would like to to join us for the day and/or to join our club can contact Janie, (before the day please) on **01728 628 296** or **e-mail** barughouse@aol.com for more information.

BEDFIELD AND MONK SOHAM SPORTS CLUB

At the annual General Meeting (AGM) of Bedfield and Monk Soham Sports Club held on the 4th June 2019, it was decided to raise the hire charge to £15.00 **PER SESSION** with effect from the 1st July 2019.

With effect from the 1st July 2019, the field and pavilion are available for hire at the superb price of just £15.00 PER SESSION and is perfect for children's parties, meetings and a variety of other uses. It is fully equipped and has secure parking

info@highsuffolkrotary.org home in Paris. 16 members and partners spent a great weekend as guests of Rotary Le Vesinet, Paris, along with 3 other partner clubs from across Europe. As usual, the weekend was a mixture of discussion, sharing of ideas, and great fun. We celebrated the life and times of Napoleon and Josephine, including a visit to their intimate home at Château de Malmaison. A fancy-dress dinner saw many dressed in “Empire” and “Regency” costumes – including our incoming President, who of course had to dress as the Duke of Wellington...

First Communion at Brundish.

David Mulrenan celebrates his first Holy Communion as an ordained priest at St Lawrence's Brundish for 11 a.m. on **Sunday, 28th July**. The Chantry Singers will be there and it is hoped that as many people as possible will be able to come and enjoy this special occasion

Dear Friends, Letter from Rev. David Burrell July 2019

There has been much talk in the news about gay marriage and indeed the very essence of what being gay is. To be homosexual means one has an attraction to members of the same sex, it is as much a part of their own personality as it is for heterosexuals to be attracted to the opposite sex. People do not decide to be gay they are born that way and cannot be cured of it. It is implanted within them in just the same way as attraction to the opposite sex is for heterosexuals.

The teaching of the Bible has obviously been very influential in the formation of the Christian tradition. Both the Old and New Testaments took a firm stand against it, stating that the physical expression of homosexual sexuality was against the will of God. Many site the story of Sodom and Gomorrah. This story has had a far reaching effect on attitudes and is the source of the word 'sodomy'. The cities of Sodom and Gomorrah were destroyed by God with fire and brimstone as a punishment for their wickedness in general, but specifically because the men of the town demanded sexual favours from Lot's two male guests. Lot was rightly horrified by this demand but his alternative solution seems to be of highly questionable morality. He says to the men of Sodom, 'Look I have two daughters, both virgins, let me bring them out to you.... but do not touch these men because they have come under the shelter of my roof.'

It is abhorrent to think that those men should be treated thus but perfectly acceptable to allow two virgin girls to be gang raped! We cannot take one part of the story and ignore rest. This shows the primitive nature of the story and cannot provide us with adequate moral guidance.

If this is so then perhaps we need to reassess our attitude to the problem. As to Gay marriage in Church. At the moment marriage is defined as a matter of doctrine and in accordance with the teaching of Christ, that marriage is a union of one man with one woman. Until this doctrine is changed then marriage within the Church of England for same sex couples is not possible.

Gay couples share deep and loving relationships every bit as real as the love between a man and woman. When Benjamin Britten was dying a nurse was brought into his house to care for him. She would check on her charge at various intervals day and night. On the day Britten died she went into his room and found him cradled in the arms of Peter Pears. Pears had been with Britten all night and he died in Peter's arms. Their love was profound and deep and as far as they were concerned perfectly natural. I cannot help but wonder if God blessed or abhorred their union.

David
