St Nicholas Church

It was wonderful to see the church full at the Carol Service, 22nd December 2019, The congregation was a wonderful mix of families with babies, toddlers, teenagers, parents, grandparents and great grandparents and all joined in even with the more difficult carol. Many stayed for a chat, with a mince pie and the optional glass of sherry, such a wonderful way to begin Christmas with the community spirit of Bedfield shining through. As part of that community I would like to say a huge thank you to ALL who made it possible. The next date for your diary will be the Family Service on Sunday 9th February at 10 am. Watch this space for exciting news from your church, St Nicholas, Bedfield.

The Recycling Shed at Bedfield School is such a brilliant idea. The community can recycle many of the difficult items to deal with, e.g. toothpaste tubes, crisp packets, sliced bread covers and more. When a collection has been made Terra Cycle credit the school with funds; the children decided to donate the funds to East Anglian Children's Hospice (also see page 15)

Dear Friends

Here for your delight and delectation are the answers to the Christmas quiz. For some reason this year many more entries came in. There were nearly 20 and all but one were completely correct. What I have done is to put all the correct answers in a pot and got Virginia to pull out the winning name. The winning entry is..... and I feel like I am reading out the winner of an Oscar here..... Sarah Godfrey. Well done and you will be receiving the prize of a scrumptious bar of chocolate. **The correct answers are:**

O come O come Emmanuel
Away in a manger
God rest ye merry gentlemen
Good King Wenceslas
In the bleak mid-winter
Joy to the world
O little town of Bethlehem
Once in royal David's city
Silent night
The holly and the ivy

Angels from the realms of glory
Ding dong merrily on high
Good Christian men rejoice
Hark the herald-angels sing
It came upon a midnight clear
O come all ye faithful
On Christmas night all Christians sing
See amid the winters snow
The first Nowell
While shepherds watched

CANDLEMAS.

On February 2nd we have our Candlemas service at 9.30 am, a Holy Communion service led by Reverend David Burrell. This service tells the story of the presentation of the baby Jesus in Bethlehem and of Simeon and Anna who had faithfully awaited this day in the temple. Some churches bless all the candles to be used for the coming year, the candles signifying the light of the world, which we believe is Jesus.

Sadly we have to report that Audrey Lewis has died. She was a faithful member and staunch supporter of St. Mary's for many years. She and her husband were regular readers at our services and Audrey helped with every fundraising event in her own inimitable way. Her funeral takes place in St. Mary's on the **4th of February at 12 noon** and will be conducted by members of her family. Please remember her and her family in your prayers.

We remember too Peter Webster, a long time resident of Worlingworth, who died recently. His funeral will take place on Thursday January 30th.

Sadly, we also report the death of Tony Fairweather, a long time resident of Bedfield, who died on 15th January .

The Rotary Club of High Suffolk is looking for new members.

Congratulations to the 2019 Jubilee Cup Winner – Val Swallow

Val had a number of nominations; having served for many years on the Parochial Church Council and the Worlingworth Community Centre Management Committee, she has also tirelessly edited and produced the Parish Newsletter every month over many years, whilst less publicly has taken on the task of opening and closing the Community Centre gate morning and evening at weekends and being on hand to open and close the Centre as needed. Heavily involved in village life, Val can be found at The Ladies Guild, Keep Fit, organising village outings and volunteering as a Church Elder. More recently Val has also taken on organising the monthly rota for the community bus. A willing volunteer, Val is always on hand to help with catering and other support for numerous village events. These are the persistent and laborious tasks that help to hold the fabric of our village together and we all thank her from the bottom of our hearts.

EXTRA Dates for your Diary:

Village Spring Clean

Saturday 4th April from 10.15 am at the Community Centre.

Annual Parish Meeting

Wednesday 22nd April from 7.30 pm at the Community Centre

Autumn Tidy

Saturday 26th September from 10.15 am at the Community Centre.

Worlingworth Walking Day

Saturday 17th October from 10.15 am at the Community Centre.

Speeding in the Village

Unfortunately, this is an ongoing and serious problem, the Parish Council now has two years of data from the Vehicle Activated Signs and has a case to take to Suffolk's Police & Crime Commissioner to request enforcement. **Please SLOW down – remember If you think Speed Limits are a Pain - Try having an Accident**

Website Update Emails

If you would like to subscribe to a mailing list to receive notifications of when updates have been posted to the village website please email worlingworthparishclerk@gmail.com with "PC Alerts" in the subject line. Your email address will not be used for any other purpose.

Councillor Vacancy

We are seeking a volunteer to contribute to the local community in the role of Parish Councillor, please contact the Parish Clerk for more information.

Plea to Dog Owners

Please could we politely ask that you do not leave your dog's waste on the paths or grass sections near to the school (or indeed anywhere in the village!) but use a bag and take it home or put it in a dog waste bin. Unfortunately, we have had cases of children stepping in dog mess at dropping off and picking up times and this is unsatisfactory for everyone concerned. Many thanks.

Open Morning We are holding an *Open Morning* on **Tuesday February 25th from 9.15-12pm** for all age groups from Nursery to Year 6. This is chance for any prospective parents to come and visit, have a tour of the school, meet the staff and children and see our cross- curricular teaching and learning in action. Please contact Mrs Lawrence in the office if you would like an appointment or further details about places available in our Willows Nursery.

Online Safety Day As part of the national Online Safety Day, this month the children will take part in special lessons which focus on teaching the children how to use the online world of the internet, gaming and social messaging in a safe manner.

Plant to Plate Tokens The East Anglian Daily Times are running a promotion for schools to collect Plant to Plate tokens which, if we collect 1,000 tokens, could provide us with a gardening pack worth £130. If we collect more tokens and are in the top 3 schools we could win £1,000 worth of products for our school garden! Please could we ask you to help us and start collecting the tokens that the EADT and Ipswich Star publish each day and ask friends or family to do so also. Please bring any tokens to the school office where we have a collection box. Many thanks.

Going Green We are pleased to announce that our school Eco Group has successfully campaigned to change how the milk is provided to our EYFS children in order to use less plastic and waste. Following a letter requesting a change, the milk is now delivered in recyclable glass bottles instead of using individual cartons and plastic straws wrapped in a plastic case! Well done to them!

Fairies and Elves Our tea and toys group is called Fairies and Elves and it is held the first Tuesday of each month at the school from 1.30 – 3.00pm. The next date is 4th February 2020. We welcome young children who would like to enjoy singing, stories and some craft activities with their parent, grandparent or carer – babies are welcome too! It's a chance to meet others and have a cup of tea too.

Website Please do check the school website: www.worlingworthschool.co.uk as there are lots of photographs showing our activities. You can also follow us on Twitter: @WorlingworthSch and facebook: Worlingworth.School.

VACANCY FOR TRUSTEE

Q. WHAT IS THE BTE?

A. The Bedfield Town Estate. It is a Charity Trust that was set up in 1883 to benefit Bedfield residents.

Q. WHERE DOES THE CHARITY GET ITS MONEY FROM?

A. The Trust owns farmland, sports field and nine allotments which are leased to various individuals and organisations. Other income comes from the interest of its liquid assets.

Q. HOW IS THE MONEY DISTRIBUTED AND TO WHOM?

A. The Trustees meet to consider the distribution of the funds. The original Trust Deed was set up to enable maintenance and repair of the church, therefore a large proportion of the income is used for that purpose. The remaining amount is distributed for education, those in need and the general benefit of the residents of Bedfield.

Q. How often do we meet?

A. There are normally 3-4 meetings a year.

**If you are interested in becoming a Trustee please contact :
Rebecca Waterman – Clerk to the Trustees**

Weighed Down by Debt?

After the Christmas season, when we like to treat those whom we love (and even ourselves?) to that little bit extra, comes January and the credit card bill and bank statement. It's the same for us all but, for many, spending up to our credit limit is a really hard place to recover from and the debt built up at this time of the year can cause us real problems in the following months, with the interest payments consuming the odd bits of spare income that we might have used to pay off the debts. All it takes is a period of sickness, loss of overtime, a new child or some other life event and suddenly we're struggling financially. If that is you and you feel weighed down by debt, then help may be just a phone call away.

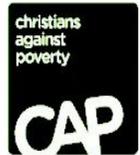

The **Suffolk Coastal Debt Centre** is based in Saxmundham and covers most of East Suffolk (IP12, 13 and 15 to 19 post code areas). We work with CAP (Christians Against Poverty), Britain's most effective debt advice charity. If you're struggling with debt and can see no way out, please call this free number **0800 328 0006**. After a few questions, an appointment will be set up with one of our local debt advisors who will be able to work with you to overcome your debt mountain, however long it takes – months or years. Many find that just having someone to talk to about a problem they are ashamed to admit to their family and friends is a lifeline. The service is completely free and totally confidential.

Want to help out?

If you are in a happier position financially but would like to support the work of the Debt Centre then do please get in touch with me, Rev Nic Stuchfield (contact details available through the church website) or me, Julia Rose, on 01728 861243 or through my church website. As churches in East Suffolk, we work together not just on debt but also on food poverty, emotional and bereavement issues and even homelessness. There may be an issue that is particularly close to your heart and also ours!

Worlingworth Garden Club Wednesday 26th February at 7pm at Worlingworth Community Centre. Peter Skeggs-Gooch will give a talk on Clematis. Many of us love clematis but looking after them can be tricky and as Peter is the third generation owner of Thorncroft Nurseries (12 RHS medals) he should be able to help us all!

The talk will be followed by our AGM. Please make sure you can be there as the future of our club really does depend on our members. We desperately need some people to step forward to help the depleted committee. This is not a difficult or time consuming task, more one of friendship and new ideas! Please make yourself known if you think you can help us either on the night or anytime by phone 01728 628 195 or 01728 628 567

A massive thank you to everyone who supported our Christmas lights fund raiser for the AirAmbulance. With so many people asking for support this year we were delighted to raise £230 for such a good cause. Thanks all and Happy New Year from Val Rozier'

Bedfield School

Last month we had the pleasure of inviting Councillor Matthew Hicks to our school to officially open our recycling centre. Joining him on the day were Jon Yates from EDF (Sizewell B acting station director) and representing Bedfield Parish Council, Geoff Robinson and Keith Frost. EDF very kindly donated money to the school in order to purchase the recycling centre and were delighted to be involved in a project that encouraged the whole community to be more environmentally friendly. We have collected a large amount of items since we first began our initiative and in return for these, TerraCycle has credited us with funds which we will be donating to the charity, EACH (East Anglian Childre's Hospices). It was a charity chosen by the children and we hope that our recent article in the EADT along with a radio interview on BBC Suffolk will have reached an even wider audience and will lead to an increase in the recyclable items collected and ultimately more money being raised.

Could we ask that any crisp packets are flattened as much as possible when dropped off as it saves the children a lot of time when folding them ready to be sent off to TerraCycle.
