STAY AT HOME

PROTECT THE NHS

save lives

Dear Editor,

May we use your magazine to publish an open letter saying we feel that it is good to remember the fallen of the second world war , and that May the 8th gives an appropriate occasion for Worlingworth to recognise that very special day when Germany surrendered and the prospect of a world at peace was once again possible. We know the peace did not last very long in worldwide terms but it's something that we are sure we ought to recognise. We should remember too that this area would have been very involved with Horham airfield 's big bombers rumbling past on their way to Germany. People have told us how their relatives would count them out and back and would have been well aware of how many men were missing. Some families may have had great grandparents who would have been essential for food production and also much involved in guarding places like Bawdsey with the innovative radar. So maybe we should think of people celebrating looking towards peace.

With the arrival of our 21st century plague and all the horrors that it is imposing on the world some people may find a celebration too triumphalist but if villagers like us feel grateful to those who died that we might live in a privileged area of the world may we and I suggest that we take up the idea that we decorate our own homes with

bunting, maybe a flag, and children's pictures in the windows, etc. to commemorate V.E. Day?

We are not, of course, suggesting we do anything to contradict the Government's lockdown instructions : just proposing that we make a small individualist recognition

of the significance of that day 75 years ago.

Kind Regards

Brian and Judith Smallcombe

**At 9.00pm on 8th May the BBC are
broadcasting a joint sing of We'll Meet Again
Very appropriate at this time.**

Worlingworth St.Mary.

The altar flowers cannot be renewed at the moment, we are adhering to the guidance from the Diocese and of course the Government.

We hope everyone is keeping safe and sane & distant.

A recipe for survival below:-

I want to be like a caterpillar,

Eat a lot, Sleep for a while.

Wake up beautiful.

Not sure if this is right for the men folk but it sounds good to me.

MOSSE AND MOSSE WINES AND ANTIQUES

Husband and wife team, based in Dennington, offering local deliveries around Framlingham and surrounding villages. Our list features mainly France, Spain, South Africa, New Zealand and Argentina. Case 2 £175 Weekend wine - You have got through the week and in need of a little treat!

***The next planned meeting of the Parish Council is on
Wednesday 20th May 2020
(to be confirmed, dependent on lockdown)
at 7.30pm in the Community Centre
all are welcome
worlingworthparishclerk@gmail.com***

Minutes of previous parish council meetings can be viewed on the village website at www.worlingworth.onesuffolk.net

For the most up to date information on the Coronavirus outbreak please go to:

www.nhs.uk/conditions/coronavirus-covid-19/

OR

www.gov.uk/government/organisations/public-health-england

Remember to Stay Home and Wash your Hands

The Parish Council has a new section on the website with information to help parishioners during this time, including daily statements from Suffolk County Council. For more information please go to:

<http://www.worlingworth.onesuffolk.net/parish-council/coronavirus/>

COVID-19 Impact on Parish Council Meetings

The Parish Council will not be holding meetings in person until it is safe to do so. However, following recent legislation allowing Parish Councils to meet virtually we are looking at suitable inclusive ways of holding meetings, but will be restricting matters to urgent or essential matters only. At present we have been advised that simple decisions can be taken by email consensus using 'exceptional circumstance' powers and ratified at the next available meeting, but this will be used as sparingly as possible.

Thank you to everyone who is helping us all get through this

The Parish Council wants to express great gratitude to the Community Centre Committee who initiated the excellent neighbour support scheme that has been operating in the village. Some of the Councillors are volunteering with the Community Centre Committee to help, but some of our Councillors are themselves in the vulnerable category and therefore unable to help as much as they would like.

Annual Parish Meeting Cancelled – Due to the lockdown restrictions, the Government has advised against holding Annual Parish Meetings, so there will be no event this year.

VE Day 75th Anniversary Celebrations

The Parish Council were intending to take part in the “Nation’s Toast to the Heroes of WW2” on Friday 8th May, with support from the Church. Initial plans had been to have an afternoon tea to make the toast at 3pm, with the church bells being rung as part of the nationwide “Ringing Out for the Peace” at 7pm. Unfortunately due to the lockdown restrictions all of this has now had to be cancelled, but the Parish Council would like to encourage everyone to think about a way to express their solidarity with the remaining veteran’s of WW2 by displaying flags/bunting on the day on your own property – similar to the rainbows in the windows supporting our keyworkers. For those who would still like to toast the heroes the official wording is “*To those who gave so much, we thank you*”

Exercising During Lockdown

The Parish Council is delighted to see people making use of our wonderful network of footpaths to get exercise at this time. Everyone seems to be observing social distancing principles. Please take care when the path is close to local homes where people may be socially isolating and **remember that cycling is not allowed on footpaths**. Cycling is permitted on designated bridleways, please check for these on the Suffolk Council Website or look for bridleway signs. Further advice is available on the Suffolk County Council Website “Public rights of way and access in Suffolk

Concerns over odours

The Parish Council are aware of concerns about odours coming from the newly extended chicken farm at Newtown, residents nearby have notified Suffolk County Council and the Environment Agency and once lockdown restrictions have been lifted the matter will be investigated.

Website Update Emails

If you would like to subscribe to a mailing list to receive notifications of when updates have been posted to the village website please email worlingworthparishclerk@gmail.com with “PC Alerts” in the subject line. Your email address will not be used for any other purpose.

NEWS FROM WORLINGWORTH CEVC PRIMARY SCHOOL

Clopen

This is the special name we have given our school during this period of lockdown as we remain closed but open! Along with Thorndon Primary, our partner school, we remain open to vulnerable children and those of keyworkers by running a three week rota alternating between both school sites during the holidays and in term time. The new system

has been successful with the children attending school following the same timetable as children at home, making some new friends and practising social distancing as much as possible. The children have completed lots of gardening too so we look forward to a bumper crop of fruit and vegetables later this summer and an abundance of flowers to fill pots and to make the school environment perfect for bees and people walking past to admire! We hope you have been uplifted by seeing their rainbows on the fence and on the playground - a sign of hope and our presence within the community.

Home Learning

The majority of our children though are busy learning at home with their families and we have been delighted by their efforts, diligence and enthusiasm to take part in the tasks set by their teachers. All children have a daily timetable to help structure their home schooling which includes Reading, Maths and English tasks and alongside this, we are setting a fortnightly Topic which provides children with a variety of cross-curricular learning tasks to choose from. We started the summer term with 'Rainbows' as our topic and we have already received photos of children making their own rainbows, learning how they are made and thinking why God sent a rainbow to earth in the bible story of Noah's Ark. Each topic web also includes a special challenge for everyone to work on and this week we are all learning to sing 'Somewhere Over the Rainbow'. We then hope to create our own virtual recording of the children and their families singing it to share. We know how challenging it is for parents at the moment combining work, family care and home schooling along with keeping safe and healthy and so we would like to take this opportunity to thank all our families for their hard work in keeping the children happy and learning at home.

Website Info

Please do remember to check the school website:

www.worlingworthschool.co.uk as there are lots of photographs showing all the fantastic home learning that our pupils are busy doing and work from those pupils attending Clopen. Lots to see and celebrate! You can also follow us on Twitter: @WorlingworthSch and facebook: [Worlingworth.School](https://www.facebook.com/Worlingworth.School) for further updates and news.

.Reading Challenge

A huge 'Well Done' to all the children who completed our *Space Reading Challenge* at the end of last term before we closed. Each of you had completed the challenge to read for at least 3 times per week for the whole of the Spring term! Some of you read much more than that each week which was amazing! Congratulations also to our top three readers who read the greatest number of times overall – Imogen, Ross and Eira. Prizes and a letter have been posted to all winners and we can't wait to hear about the books you have been enjoying during your time at home. Reading is the perfect way to let your mind travel and escape to different places!

#Worlyrocks

Keep your eyes open as you go out on your daily walk.... The children have been busy creating special messages of hope and hiding them around the village.

EYFS News Our numbers on role continue to grow, with another increase in places offered for children starting school in Reception in September. We are really looking forward to welcoming all these children to the school - some new and some familiar faces- and working with their families as the children begin their school adventure.

Willows Nursery Our full-time nursery is also thriving and our youngest children quickly settle in and enjoy getting to grips with their learning. We always welcome new parents to visit and chat about our Early Years class so please do not hesitate to email the office if you are considering child-care options and would like to discuss this further for the future.

Governor Thanks We are very lucky at Worlingworth Primary School to have a wonderful team of committed and hardworking governors who support the staff and pupils at the school tremendously well. Janie Woods who has been our Vice Chair of Governors for several years stepped down from her role last month and so we would like to thank her for all her work during this time. She will be greatly missed as one of the governors and we hope that we can still persuade her to come and hear the children in Mercury and Saturn Class read each week!

School Improvements

During this time of Clopen, we are taking the opportunity to give parts of the school a makeover so when we are able to reopen the school will be looking super smart! Over the last few weeks, the hall and classroom corridor have been painted and we are planning to move on to redecorating some of the classrooms later this month. We have some surplus furniture (8 stools and a couple of class tables) which are free and available for anyone to have if they are able to come and collect them from the school. Please ring the office and leave a message if you are interested and we will get back to you.

Mr and Mrs Twit appeared on role just before Easter – well done children a great effort!

Worlingworth Cricket Club

It is rather ironic that we have had such dry and sunny weather during April which would have enabled the cricket season to get off to a great start. Unfortunately as we all know this has not been possible and when we might be able to play again is very uncertain .

There are some good suggestions for help for players of all ages to get in some practice during lockdown at --

<https://suffolkricket.org/2020/04/17/chance-to-shine-activities-for-all/> The clubhouse and ground are being kept ready action if we get the opportunity later in the summer , but meanwhile the most important message is to make sure everyone keeps safe and well

See WWW.WORLINGWORTHCC.CO.UK for updates and contacts - or contact Chris Watson on 07545123699

With the delay to the start of the season and the knock-on effect to our main income stream, we have been incredibly thankful for the 100 Club - which is now our only reliable source of income while there are no cricket matches or fundraising events. **Check web site above for details to join**

Worlingworth Gardening Club Well, what to write for the lovely month of May? Such odd times. Like all clubs and meetings our club is on hold till we don't know when. However I'm sure that many people will be thinking how fortunate we are to live with many amazing people all around us in this wonderful countryside. Those of us lucky enough to have gardens have been busying themselves doing all the things they thought they didn't have time to do! Even if you don't have flowers of your own the road side verges provide them for you.

I'm sure a good number have been using the footpaths and hopefully enjoying them. As an old country dweller can I make a request that everybody remembers it's bird nesting time but not all are in the trees and bushes. Pheasants and partridges lay in carefully concealed nests on the ground. Not forgetting the fast disappearing skylark who nests in the middle of fields, although their incubation period is not long their young still need consideration. Therefore please pay attention to where you are walking and where your dogs are investigating. If you are fortunate you will be able to hear the male skylark's lovely song as he climbs heavenward. Children might like to research how long it takes for these birds to hatch!

I'm hoping to see some bird activity in my own garden and this year hoping to be able to plant some bird friendly shrubs as well as plants for butterflies and bees.

We have a few photos from members' gardens to share with you and hope you enjoy them. (see page 9)

Meals on Wheels This is a 7 day a week, 365 days a year service which gives people the flexibility to have as many days as require, anything from one day to the full seven.

They have a wide variety of dishes to suit everyone's needs and if there is nothing on a particular day that is liked, they are more than happy to set anyone up on a personal menu with all their favourites.

They are not just a meal service, they ensure that all customers have a 'Health and Wellbeing' check and can contact a family member, friend or a medical team if there are any concerns. **A lunchtime 2 course hot meal costs £6.75 and a teatime pack is also available at £3.25. For more information please contact:**

Notes from the WI here and away

Worlingworth & Tannington WI & Port Chalmers WI New Zealand

Due to the lockdown we will not be meeting in May or June. Once we are given the go ahead to meet as a group we will be in touch but in the meantime here's a few items from Port Chalmers WI in Dunedin, I went to their March meeting and was warmly welcomed as is typical of any WI group. The group has a similar number to ours in Worlingworth but not such a broad age range. The members are pretty much like our members here in the UK, friendly, welcoming, with a willingness to try new things and like ours most had been members for many years. They were kind enough to give me their yearly programme and their equivalent of the WI Life so here's the Port Chalmers 'Aspiration' statement which now reading it a few weeks since I was given it is even more pertinent to current times.

I also include one of their recipes for some comfort eating!

They have a monthly motto printed in the Port Chalmers programme and the one for February seemed appropriate - "Patience is also a form of action".

Aspirations

Keep us, O God from pettiness, let us be large in thought, word and deed.

Let us be done with fault-finding and leave off self seeking.

May we put away pretence and meet each other face to face without self pity and without prejudice.

May we never be hasty in judgment and always generous.

Let us take time for all things good, make us to grow calm, serene, gentle.

Teach us to put into action our better impulses straightforward and unafraid.

Grant us that we may realise it is the little things that create differences, that in the big things of life we are one.

And May we strive to touch and know the great women's heart common to us all and,

O Lord God, let us not forget to be kind.

The Best Chocolate Cake Ever

8oz butter, 2 cups sugar, 4 tsp baking powder,

8 dessert spoons golden syrup, 4 cups plain flour,

3 cups milk, 4 eggs, 4 tbsp cocoa, 4 tsp soda (bicarbonate to you and me)

Melt butter & golden syrup. Beat eggs & sugar and add to butter mix. Add flour & dry ingredients. Melt soda in milk and add.

This makes 2 x 8" cakes or 1 x 10". Cook in oven 150 degrees for one and half hours or until knife comes out clean. **This is a fluffy cake which stays fresh and freezes well.**

Recipe by Waihi WI

Keep safe and look forward to seeing you all when we can on the first Wednesday of each month, 7.15pm at Worlingworth Community Centre.

Diana

Dear Friends

Rogation days, were at one time an occasion of prayer and fasting instituted by the Church to appease God's anger at man's transgressions, to ask protection in calamities, and to obtain a good and bountiful harvest. The Rogation Days are usually around the 5th Sunday of Easter (this year it is 17th May). Rogation came at that time of year when the dawn chorus and beautiful sunrises recall the Resurrection, and, looking about, we cannot escape the beauty of creation in a world of spring bursting with divine Love. There is a freshness in the air, a newness in the sunlight, an awakening of beauty in places one would never seek

The advent of Spring is the surest promise of life after death, of resurrection even though all seems dead and the world is caught in the withered hands of winter, life will win through. ***Corvid virus has had us in its icy grip and many have died and many have been dreadfully ill. However through all of this there has been a sense of community, a sense of people working together and loving one another. We need to applaud those who selflessly worked in our hospitals, in the care homes, in the homes of those who need support. Even though the virus caused the death of carers and medics alike the rest carried on, their sense of duty and care pushing them forward. We also need to applaud our police and ambulance workers and firemen who have carried on regardless. In fact so many shop workers who turned up for work knowing they were exposing themselves to the possibility of infection. Don't forget also our government who have tried to do the right thing and shepherd the country through unprecedented times. And finally those volunteers in all our communities who have taken responsibility in looking after their neighbours.***

This world disaster has, on the whole, brought out the best in people and I want to applaud that. When this is all over are we going to carry on caring in these significant ways or will we forget? I have felt the connectedness of the community over the past weeks.

The future is still uncertain we have a way to go but as we travel from Spring into summer remember this time, how we all pulled together, worked for one another, appreciated one another and keep that in mind for when all is well once more.

Keep well, keep safe you are all in my prayers

David

While we are in 'lockdown' you may wish to access Worship and resources from other sources.

Here is just a selection of what is available. Many have been available on the BBC for years, and people are rediscovering them to fill the gap created by the present restrictions on public gatherings for worship.

Radio. (Schedule as presently available, when going to print)

Daily. (also available on iplayer – Sounds)

5.43am. Prayer for the Day. BBC Radio 4. 92.4-94.6 FM

8.30am. Morning Prayer with Bishop Martin. Access via
www.facebook.com/BishopsCofEsuffolk.com

9.45am. Daily Service. BBC Radio 4. **198 LW**

Sunday.

8.00am. Radio Suffolk. Morning Service.

8.10am. Sunday Worship. BBC Radio 4. 92.4-94.6 FM

Television. (Schedule as presently available, when going to print)

Sunday.

10.00am. Sunday Worship. BBC 1 TV (also available on iplayer)

1.15pm. Songs of Praise. BBC 1 TV (also available on iplayer)

Four Rivers Benefice Service available via Zoom.

For details contact; Chrissie Smart by email. christinemsmart@aol.com

May

Dear friends,

With deep regret, but necessary:

Due to the Coronavirus pandemic all Churches are locked and Services are cancelled.

We are following Government guidelines to protect lives, the NHS and staying at home.

If you wish to join our local Four Rivers Benefice service online via Zoom please contact

Chrissie Smart by email for an invitation
christinemsart@aol.com

If you take your daily exercise in the Churchyard
Please observe social distancing, at least 2 m.

You may find these prayers useful, as we pray for you and each other, individually or as 2 or 3 together in our households in Jesus name.

Lord Jesus Christ, you said to your disciples,

'I am with you always'.

Be with me today, as I offer myself to you.

Hear my prayers for others and myself,

and keep me in your safe care. Amen.

O God,
help me to trust you,

help me to know that you are with me,
help me to believe that nothing can separate me from your love revealed in Jesus Christ our Lord.
Amen.

Merciful God, we entrust to your care those who are ill or in pain, knowing that whatever danger threatens, your everlasting arms are there to hold them safe. Comfort and heal them, and restore them to health and strength, through Jesus Christ our Lord. Amen.

Morning Prayer

You may wish to light a candle and have some reflective music playing in the background.

The Lord is good, a strong refuge when trouble comes.

God is close to those who trust in him. Nahum 1.7

Opening Sentences

O Lord, open our lips

and our mouth shall proclaim your praise.

The night has passed, and the day lies open before us;

let us pray with one heart and mind.

Pause for reflection as you offer the day to God.

As we rejoice in the gift of this new day,

so may the light of your presence, O God,

set our hearts on fire with love for you;

now and for ever. **Amen.**

Bible Reading

You may wish to say Psalm 23 or another psalm here, such as Psalm 16 or Psalm 139.

Psalm 23

1 The Lord is my shepherd; therefore can I lack nothing.

2 He makes me lie down in green pastures and leads me beside still waters.

3 He shall refresh my soul and guide me in the paths of righteousness for his name's sake.

4 Though I walk through the valley of the shadow of death,

I will fear no evil;

for you are with me; your rod and your staff, they comfort me.

5 You spread a table before me in the presence of those who trouble me;

you have anointed my head with oil and my cup shall be full.

6 Surely goodness and loving mercy shall follow me all the days of my life,

and I will dwell in the house of the Lord for ever.

Glory to the Father and to the Son and to the Holy Spirit;

as it was in the beginning is now and shall be for ever. **Amen.**

Supermarket Challenge!

I stand in line, 2 metres apart,
(Having disinfected the shopping cart),
We enter the store one by one,
I remember when shopping used to be more fun !
No need for veg, I'm going to The Hut,
So I'd better hurry before it's shut.
I need some flour so I can bake
But the shelves are empty - so no cake.
At least I have enough to bake bread
So Adrian will think that he's well-fed!
The Easter Eggs are half price,
Oh yes, some chocolate, that sounds nice.
My trolley's not full but that's just fine,
At least there are no restrictions on wine !
Christine Smith

The Wonder Of Trees

Swaying in the wind,
Waiting for the Spring,
Never ever sinned,
The leaves rustling ring,
Jesus is living in them,
Growing with us all,
We will remember him and them,
With their crying call.

Exercising in the local area

It is wonderful to see so many individuals and families enjoying our wonderful network of village footpaths. They are in good condition at the moment so here are just a couple of reminders to keep them in good order and pleasant to use:

Cycling is not allowed on footpaths, do enjoy cycling on the roads while they are so quiet

Dog poo should be picked up by those exercising dogs and the poo bags placed in the red bins placed strategically around the village. Worlingworth Parish Council pays for all these bins to be emptied regularly so please make use of them."

BEDFIELD AND MONK SOHAM

GARDENING CLUB. Our **plant stall** is now at

Daisy Cottage, Bedfield. IP13 7JD. We soon hope to be able to also offer hardened off summer flowering plants and vegetable seedlings. Please do consider donating any plants or seeds you may have to support this community venture as the stall is proving as popular as ever. Donations are for Garden Club funds and charities, but we also aim to provide plants/seeds for our community in these unusual times. Thank you for your support. Happy and Healthy Gardening!

HIGH SUFFOLK COMMUNITY BUS

All services have been suspended until further notice in line with Government guidelines with regard to Coronavirus.

A message from Gerry Garwood, Chairman of High Suffolk Community Bus Committee:- Dear All with an Interest with the Community Bus

Re:- CORONAVIRUS On Monday 16th March the Government outlined its advice to people who are over 70 years of age, on the action they should take with regard to the current coronavirus situation. They stated that all over 70 years of ages should, wherever possible, avoid social contact with other people. Given that the majority of our passengers and drivers are over 70 the committee, very reluctantly, has decided to suspend the Community Bus Operations. This has taken effect on Wednesday 18th March and will remain in place until further notice.

Timetables also available on our WEBSITE – combus.org.uk

NEW DRIVERS PLEASE!! We are always seeking potential new drivers. If you can help, or if you know anyone who might be interested, please contact our Chairman, Gerry Garwood, on 01728 685415

KEEP ON RECYCLING!

Given the current situation with COVID-19, our day-to-day lives have changed, and our priorities have shifted. But it is not all bad news!

Green issues remain a key topic, and **TerraCycle** and **Bedfield School** would like to remind everybody that recycling is as important now as ever before! So please do keep collecting your recyclable items for us and store them safely until they can be processed at school.

 <ul style="list-style-type: none"> • Carex® hand wash refill pouches and caps • Carex®, Imperial Leather®, Bayley's of Bond Street® hand wash pumps 	<p>Any Pringles® containers</p> 	<p>Any brand of toothpaste tubes and caps</p> <p>Any brand of electric and battery toothbrush heads</p> <p>Any brand of toothbrushes</p> <p>Any brand of toothbrush outer packaging and cartons</p> <p>Any brand of floss containers and outer packaging</p> 
 <ul style="list-style-type: none"> • Dishwasher cleaner and freshener • Fragrance twin pack plastic sleeves outer packaging <p>Flexible: dishwashing tablet packaging, stain remover powder packaging, home cleaning wipe packaging, plastic dishwashing salt bags</p>		
<p>Any bread packaging made of LDPE plastic</p> 		<p>Any brand of crisp packets</p> 

In the meantime, **TerraCycle** is running a social media contest for the collectors or community which shares the best tips on how to collect waste with TerraCycle during lockdown. A top prize of £1,600 is up for grabs, and this would be a fantastic bonus for our fund raising for the

East Anglia's Children's Hospices.

We would like to see your photos of your stored recycling and/or any tips or advice that you may have on collecting and storing waste during this period.

These will be collated and then posted up on FaceBook, where your help would be required again, to like the post. Any photos or information can be emailed to

bedfieldschool.terraCycle@gmail.com

Bedfield School

We all had a relaxing time over the Easter holiday and were grateful that the weather was lovely and meant that we could all have fun outside!

So a new term has begun and we are still teaching and learning from home. Everyone seems to be getting into the swing of things now and to make it easier staff have been using Microsoft Teams and Class Dojo to enable a more seamless approach to educating the children. Class 1 will be investigating the rainforests and food chains this half term and KS2 will be looking at the Ancient Greeks and evolution. We have all been busy creating rainbows to say thank you to the NHS and have displayed them outside of school for you all to enjoy.

All the best from us all www.bedfieldschool.co.uk

Another Day at Home

by William Berkley
Year 5 pupil at Bedford School

Every morning I look from my window
The early light wakens me with its glow
I see the majestic farm buildings below
And the tractors busy with seeds they sow
Another day at home

I see people with dogs walking by
Surrounded by the bright blue morning sky
Soon the golden, blinding sun will be high

The luscious green grass wet with dew
Stuck to my feet like cold, green glue
Thin tree branches swaying in the wind that blew
Full with pink and white blossom too
Another day at home

I hear many birds in the trees
And amongst the yellow buttercups fly busy bees
But pollen and and hayfever make me sneeze

I've been outside bouncing on the trampoline
Running and football have kept me keen
And many episodes of Friends I've seen
But also learning how to keep my room clean
Another day at home

Home schooling seems like such a chore
I'd rather be on the PlayStation, what a bore
Or playing Cluedo sitting on the floor

Our time in lockdown
Started with a frown
We were no longer able to go to town
But it's been fun with my family hanging around
Another day at home
Hurrah for sunny days
But I really miss eating cake in cafes
Thank you NHS we give you our praise

To all collectors, helpers, schools in what ever capacity I trust you are keeping well, but sorry to say I will not be having a get together in May as last year due to present circumstances in which we all have to play our part. However I would like to have feed back please on what we had to sell last year and your ideas of how one could improve for 2020. Then hopefully before November we can get together with Mandi, Suffolk Regional Organiser updating us on RBL work generally and particularly in Suffolk. Please email or telephone with your views.

Kathy Thurman RBL Local Organiser for Worlingworth Area

Although it may be some time away, when we are able to gather together we would love to hold a big tea party at The Lodge. Geoff and I are in awe of the wonderful village folk who have enabled us to cast our cares aside when others are struggling . Dates cannot be set for events but we shall look forward to future fun times.

Gay

It is with sadness that we report the sudden death of Peter Allen.

Peter over the last few years was the chair of the Save Our Swan committee

Peter will be missed by his loving wife of 54 years, Sue, and his sons Tim and Paul and their families.

My personal thanks to the postmen, Steven Tuckwell, the milkman , the Dustbin collectors. Many of us wish to thank Pam and Bernie at the Veg Shop in Mill Road .

Also all the helpers doing shopping, collection of prescriptions for the elderly ²⁴
