

Church and Village News April 2021

Bedfield, Monk Soham, Southolt, Tannington and Worlingworth

Welcome to the April Newsletter. Glad to be back and printing again.

I hope we never have to go into a lockdown again but if we do you can receive the newsletter by requesting a PDF computer copy of this magazine by letting the editor know your email address . See box below for details. During lockdown 160 households received a PDF .

If you wish to receive this newsletter as a PDF please send your email address to the editor: v.swallow44@btinternet.com with subject

“PDF for newsletter”

It is sent bcc so your email address is not seen by all.

Don't forget the monthly PDF copy is **as well as** and not **instead of** and is always sent earlier than the paper copy

Don't Forget Census Day was 21st March

Spring at the Community Centre

Update from Diana Totten, Chair Worlingworth Community Centre

Well the snow disappeared and a new fence in the Quiet Garden appeared so we are all tidy and secure. Under the new Gov Covid guidelines from 08 March you may like to meet in there and have a coffee with a friend!

The snow meant that the bottle bank wasn't collected on the usual day which led to a bit of a build up of chutney & champagne bottles. Our volunteers did collect a quantity to prevent them from being used as missiles and playthings so thank you if you didn't bring any more until the banks were emptied.

The monthly committee meeting day has been changed to a Wednesday for those who would like to come to a meeting to share any thoughts or ideas. At the moment it's via Zoom so please let me know if you would like an invitation. 2nd Wednesday of the month.

We are keen to hear of any ideas from villagers for what you would like to see at the CC – clubs, activities, sports equipment – anything really that you have an idea for please let me know via email or phone.

As we have been troubled with vandalism and had a recent burglary we are fitting CCTV shortly. There will be signs up to alert the general public.

We are hopeful that we can tentatively start to plan for events from June ish but together with the nation let's watch this space.

All for now! Diana Totten 01728 628077 dianartotten@gmail.com

ST.MARY, WORLINGWORTH.

In April there will be a Stations of the Cross service on Good Friday at **10.30am**, with Lay Elders and for **Easter Day a Holy Communion service at 11.00am**

with Rev'd. D. Mulrenan. The church will be decorated with flowers as usual for Easter Day as we celebrate our risen Lord. A more sober reminder—social distancing and all the usual precautions will still be necessary. Please check details on service grid

Tannington Church will also hold a Holy Communion service at 8.00am on Easter Day (4th April)

Led by Rev David Mulrenan.

EACH Mile Counts February Challenge

Hopefully you have heard that Gay and Geoff Clarke and Marie Robinson have been pounding the local roads and footpaths raising money for EACH. The challenge was to walk 200 miles during the month of February

Congratulations! They raised £3,700 plus gift aid

Ink Cartridges can be left at Bedfield School (see page 17)

Bottle Banks Blues

Bottle bank, bottle bank, my oh my,
Sometimes the bottles reach up to the sky.
If they do please don't shy away
From taking them home for another day

Thanks

***The next meeting of the Parish Council is on
Wednesday 21st April 2021 at 7.30pm
to be held remotely via Zoom.***

***All are welcome, if you would like to attend please contact the Parish
Clerk: worlingworthparishclerk@gmail.com
for a meeting link***

Minutes of previous parish council meetings can be viewed on the village website at www.worlingworth.onesuffolk.net

Annual Parish Meeting – Online for 2021 on Wednesday 28th April at 7.30pm

After having to cancel last year's meeting, the village Annual Parish Meeting will be taking place via Zoom for 2021. This is an opportunity for all village organisations to give an update on what they've been doing and it's always surprising just how much goes on in Worlingworth! If you would like to attend then please email the Parish Clerk for a Zoom link.

DIY - Village Spring Clean

We had planned to hold a Spring Clean on 10th April, however, due to the ongoing lockdown restrictions it is not possible to have our usual organised event. Therefore, we would like to encourage all residents to consider a DIY Spring Clean instead! If everyone picked up a few pieces of litter when they are out and about then the village will soon be looking spick and span again. If you would like to borrow litter picking sticks from the Parish Council then please contact Chairman Brian Smallcombe to make arrangements: beepsco@btinternet.com

Tree work in the village

The Parish Council would like to remind residents that ANY works carried out on a tree that is subject to a Tree Preservation Order requires formal planning permission to be sought from the District Council. If you are unsure if your tree is affected by a TPO then please check.

Also please remember that unless the tree work is to mitigate an immediate danger then NO work should take place between 31st March to 30th September, as this is considered the bird nesting season. Please stop and consider before carrying out tree work - we need to protect the wildlife in the village and remember trees can help with the reduction of greenhouse gases by capturing carbon from the atmosphere.

Grants available to plant more trees

The Parish Council does have funds available to offer small grants to people who wish to increase the numbers of trees in our parish. If you would like a native tree planted in your garden, or if you have a larger area that could take more, then please contact our Tree Warden, Francis Muldoon on 01728 627166 to discuss.

News from Worlingworth Primary School

School Reopening The school successfully reopened last month and it was wonderful to welcome all the pupils from Nursery to Year 6 back to their classes. They were a lot taller and most with longer hair but still as caring, kind and energetic as ever! Our Pirate Week was a great success providing an imaginative and stimulating way for the children to return to learning in school and to relax and socialise with their peers again. Thank you to Tuckwells for their enthusiastic support in our Treasure Hunt around the village.

Summer Term Our Summer Term begins this month with the launch of an exciting new whole school topic : **Up, Up and Away!** Each class will be experiencing carefully planned lessons linked to the theme of flight. From birds, rockets and the history of flight with our youngest learners to the events of the Battle of Britain and the perils and experiences of Evacuation in WW2 with our oldest pupils. Our two curriculum cogs of Creativity and Communication will be the foundation of these lessons threaded together by a strong emphasis on reading using a range of quality texts to inspire learning.

Successful Letter Writing We were very proud of our youngest children in Matisse Class who received a special letter from Sir David Attenborough thanking them for all their work and ideas about looking after the seas and oceans on our planet. The children wrote a letter together explaining what they had been learning in their topic about the ocean and they were very excited when a handwritten letter arrived back. Well done children for your environmental efforts and your writing skills!

Comic Relief Thank you to everyone who contributed and made donations to our fund-raising for Comic Relief. We raised over £80 which is brilliant and the children managed to make us all laugh with their jokes in our Comedy Club !

Bags To School We are arranging a Bags To School collection on Thursday 13th May to raise money for the school. If you are having a spring clean and have clothing, sheets etc that you no longer require, then please come and collect a plastic bag from the box outside the school gate to fill up. All full bags should be dropped off at the silver gates on the morning of 13th May by 9.15am and not before as we do not have storage facilities. Many thanks for your support.

Website Please do check the school website: www.worlingworthschool.co.uk as there are lots of new photographs showing our activities and learning in school. You can also follow us on Twitter: @WorlingworthSch and facebook: Worlingworth.School.

Bedfield

On Easter Sunday, there will be Holy Communion at St. Nicholas at 9.00 a.m.

and all are welcome subject to social distancing and mask wearing by those 12 years of age and over. I am hoping that there might be some volunteers to put flowers in the church on Holy Saturday and I think that further information regarding this might be found at Community at St. Nicholas on WhatsApp. You may find, on Easter Sunday, that music will be provided by cello and potentially, we may hear from a new organist! Sadly, we are still not allowed to sing in the church. For those who prefer not to come out at present, there will be a Zoom Holy Communion at 11 a.m. which will be led by Reverend Ron Orams. Please let me know if you are not already on my list by using the email address below.

I am looking forward to when we can begin to plan some new events at the church... watch this space!

I wish you a joyful Easter Holiday and may our lives be blessed with new beginnings and happiness that infuse us with new energy and new hope. Warm wishes to you all. Stay well, keep safe and may God bless us all.

Chrissie Smart

rev.chrissiesmart@gmail.com

Monk Soham

We are pleased to be able to say that St. Peter's Church Monk Soham, will be open for the Easter Day service on the 4th April, at 11 a.m. led by Rev'd. Rebecca Artiss, and as expected will follow all the covid-19 safe-guards.

We are fortunate to be able to celebrate this in a church which will be decorated. Our thanks go to all those who give their time and work to make this happen. We look forward to as many people attending this service as possible to celebrate this important day. We now look forward to more normal times hopefully in the not too far distance future.

We start services twice monthly on the 1st and 3rd Sundays at 11 a.m . commencing with the Easter Day Service.

Dear friends,

Easter letter from David Burrell

Well I hope you have/are/will be enjoying your Easter eggs. Due to the vagaries of the timing for this magazine you might be reading it after/before/or during Easter. So I thought I would write a catch all introduction and hope you are not all too confused.

Anyway Happy Easter!

This is the most important of all Christian Festivals. Easter is important because it is the celebration of the resurrection of our Lord Jesus from the dead, thus promising to all of us eternal life and ultimate salvation. There will come a time when all our burdens of sin and guilt will be lifted from us and God will welcome us home as his beloved children. What is it that we can do to earn our place in heaven with God, well the Good News is we can't. God gives it freely through his great love for us.

'So we can just sit back and do nothing' you might say. Well yes you could but when someone shows extravagant love towards us we may feel beholden to them, we want them to know that we appreciate the love that we have been shown. We might even want to say thank you.

A little boy came home from Sunday School on Easter Sunday and said to his mum, 'I can understand about Christ but not the roses.' Then he asked his mother 'Why was Christ a rose?'

A priest was walking along the cliff tops near Eastbourne one Easter afternoon and he met a fisherman one of his congregation. The old fisherman greeted him with 'Christ is risen parson. The priest was intrigued by the old man's faith. How do you know Christ is risen?' he asked. The fisherman paused and then pointed to some isolated cottages near the cliff tops. 'See those cottages, well when I am far out at sea, I know the sun has risen by the light that is reflected by their windows.

Likewise I know Christ is risen when I see him reflected in the faces of some people I meet, which in turn reminds me of the glory I feel in my own life.

Christ is risen, he is risen indeed.

David

HIGH SUFFOLK COMMUNITY BUS – UPDATE FROM THE COMMITTEE

With the lockdown still in place, the Committee have been unable to meet in person and the situation remains the same. We will continually monitor this and with hope that we will be operating again soon as restrictions start to lift.

The safety of our passengers and drivers is paramount and until we feel all of us on the bus can travel safely, we cannot consider starting the service again just yet.

The situation will be reviewed and discussed within the Committee and any decisions will be reported accordingly.

We hope that you are all staying well and very much look forward to seeing you again soon.

If you have any queries or questions please contact Alan Nette-Thomas 685694 or John Ridgwell 627181

Email address: support@combus.org Website: combus.org.u

Worlingworth Gardening Club.

Hopefully sometime this year we may be able to start our club again. We had arranged some visits for this year but this is now looking doubtful. We're thinking further into the autumn when hopefully we can have meetings and talks in the community centre as before. However I'm convinced that we can leap into action whenever the time is right!

Anybody who is interested in belonging to our gardening club please feel free to contact us at any time. There are no rules and regs about who can join. All you need is an interest in plants of any sort, of course this includes vegetables. No special skills or knowledge necessary but if you could bring a smile that would be good!

You can contact us any way you wish for more information.

Benefice Quiz Night

Bedfield was very well represented at this very enjoyable Zoom Quiz Night. A good range of topics were covered making us all scratch our heads and delve into the depths of our memory. The winner was our very own Julia McQueen. Well done to Julia and many thanks to the organisers.

Support for St Nicholas Church, Bedfield

We recently delivered a letter to every house in the village asking residents for help with supporting the church to meet the £11,000 annual running costs to keep St Nicholas open for the community. Unlike other organisations, churches have not received any financial support to make up for the very significant loss of income through the COVID pandemic.

If you are able to support us through regular monthly giving by standing order please contact Jenny Hinchey on 627134 or 07710218957 and she will provide you with details

Dates for the diary

Stronger Together in Faith This newsletter is sent to you by members of Bedfield Parochial Church Council using community email bedfieldmonksoham@btinternet.com or via WhatsApp. The WhatsApp group is called 'Community at St Nicholas' and is open to everyone. You are very welcome to join using this link. <https://chat.whatsapp.com/EU8jhZ0lwumJlyprkt1gBa> We are a totally inclusive group of people. We are motivated by many different things; our faith in God, our faith in nature, our faith in the strength of Community and our love and care for each other. Our membership currently stands at 24 so please come and join us. The members of the Parochial Church Council carry out many varied functions to care for and support the church and the school within the community. We work to our areas of interest, knowledge and expertise.

DR DAN POULTER MP

Member of Parliament for Central Suffolk and North Ipswich

Content from Dr Dan Poulter MP

01 March 2021

As we look ahead to Easter and to the longer days and warmer weather, I'd like to start by paying credit to our health leaders and all those involved in the rollout of the vaccination programme here in Suffolk, including the fantastic army of volunteers giving up their time to help with the effort. It's thanks to their combined efforts that Suffolk is at the top of the league tables nationally for people receiving their first Covid vaccination.

We have come such a long way in the fight against coronavirus and there is very definitely light at the end of the tunnel, but for now we must continue to follow the rules as we tentatively start to emerge from lockdown. We are all keen to get back to some semblance of normality – to visit our families and our friends, but if we relax the restrictions too soon, we could very quickly find ourselves back at square one with infection rates rising again, alongside increased hospital admissions and deaths. It only takes three or four weeks, particularly with some of the more virulent strains that have emerged, for things to get out of hand.

Understandably there are concerns about the spread of the new variants, but current evidence seems to suggest that both the Pfizer and Oxford Astra Zeneca vaccines remain effective. The best way for all of us out of this pandemic is through vaccination and I would urge everyone to get vaccinated as soon as is practicably possible.

The first steps out of lockdown saw our children and young people returning to their schools and education settings. Whilst our hardworking teachers and teaching assistants have really stepped up to the challenges of remote learning, nothing can match the importance of face to face learning in the classroom.

Assuming infection rates and hospital admissions continue to fall, and the vaccination programme continues at pace, non-essential retail and hospitality venues can also soon begin to reopen and whilst I know the delay is frustrating, it doesn't benefit businesses to open for two or three weeks and then have to close again as restrictions were lifted too early.

As the weather continues to improve, we know that transmission outdoors is reduced, and I know that we are all looking forward to being able to gradually mix outdoors as a first step in getting back to some sort of normality. I am hopeful that if we continue to stick with it and follow the guidance, we can all look forward to much happier times ahead.

Friends of Debenham Library

Libraries are open for "Select and Collect" service and reservations so that people can request and pick up items from their library.

We expect that libraries will open fully again on 12 April (Covid Step 2) but our plans are dependent on any changes in infection rates or government guidance. There is no rush to bring items back as loan periods are extended to six weeks and charges suspended. Browsing inside libraries and the use of computers are unavailable for the time being until reopening, and mobile library services and home library service are suspended at present.

For free audio books, eBooks, films, newspapers/magazines and other online services, use your library card at www.suffolklibraries.co.uk. There are also podcasts and videos available on the YouTube channel www.youtube.com/user/SuffolkLibraries.

School corner, Debenham IP14 6PL (next to the Primary School). Opening hours:

Tuesday: 0930 am – 1300 pm Wednesday : 1500 – 1800 pm*

Saturday: 0900 am – 1300 pm Sunday: 1200 – 1600 pm

** Please note that the library will close at 6pm on Wednesdays until further notice, during the winter.*

Tel: **01728 861940** www.suffolklibraries.co.uk/visit/locations-and-times/debenham-library

Email: debenham.library@suffolklibraries.co.uk

Bedfield School have teamed up with The Ink Bin to collect empty inkjet printer cartridges. The Ink Bin pledge to recycle as much of the single-use plastic as possible and also send away some cartridges for refilling in order to reduce their carbon miles. For refillable cartridges, the company will give us money which we will be donating to our charity, East Anglia's Children's Hospices.

Ink cartridges can be left in the labelled container in the recycling shed outside of school.

Bedfield School

Life is slowly returning to normal in school at least. We are all trying very hard to adapt to being in class again, some are getting used to working with others again, rather than just parents at home and some are getting used to having more children back in class, but the children have shown great resilience and determination to make it work. The Easter holidays will give us all a chance to regroup and look forward to the summer term with the thought of nicer weather and lessons outside spurring us on!

This half term **Class I** have been learning about the history of nursing, referencing Florence Nightingale and Mary Seacole. They have really enjoyed learning about how modern nursing began and the great work of nurses over 100 years ago. We have also learnt about the first female doctor, Elizabeth Garrett-Anderson and on International Women's Day we looked at many more inspirational women including Maya Angelou and of course the children's own mothers and grandmothers who have been so supportive during lockdown. We set up a field hospital and the children enjoyed dressing up for the day.

KS2 have enjoyed learning about traditional Caribbean stories and have used these to write some inspiring stories of their own. Next term they will be starting their new topic which will investigate the Vikings, look out for photos from their introduction day!

Bedfield School has been welcoming new children this half term with more after Easter. They have all settled in well and we look forward to helping them on their new learning journeys with us.

We are also excited to be involved in another new recycling programme. We have teamed up with 'The Ink Bin' to collect empty inkjet printer cartridges. Money raised from this will also be donated to East Anglia's Children's Hospices. Thank you for your support,

Happy Easter from all of us at Bedfield School

Bedfield School

We combined Red Nose Day with World Book Day on Friday 19th March and the children and teachers had great fun dressing up as their favourite book characters.

Thank you to all parents for helping them look fabulous!

Items for May 2021 newsletter by 19th April please to Val Swallow :

New advert Fully qualified primary school teacher (with an up-to-date DBS certificate) available for tutoring. In my time as a teacher, I have taught across both key stages and have extensive experience dealing with special educational needs, including time spent working in a special needs centre. I have experience in all areas including English, maths, science, phonics and reading/comprehension as well as experience in phonics assessments, KS1 SATs and KS2 SATs.

My lessons will be tailored to suit the individual child's needs and the overall goals, whether you want a couple of lessons as a recap or a longer-term tutor. They will be aimed at your child's ability and interests to help create engaging sessions.

Currently due to COVID restrictions my lessons are online via Zoom and any resources that are required I can email across prior to the session. £25 an hour.

Once COVID restrictions are lifted I am able to travel up to 10 miles from postcode IP13 (without charge), but will charge additional petrol costs if further than that.

Alternatively, the student is able to come to me.

Currently available evenings, weekends and school holidays/bank holidays.

References available upon request. **Please call Laura on 0771 089 6070 for more information and to discuss your child'**
