**Monk Soham** Choral Compline :- a service of Choral compline, will take place in St. Peter's Church Monk Soham during August on the last 3 Fridays (12<sup>th</sup>, 19<sup>th</sup>, 26<sup>th</sup>) at 7p.m.

This is a short traditional service of approximately 20 mins. It will be led by the Rev'd Rebecca Artiss, with the Pastoral Quire. All are welcome to come and sing, join in with or listen.

## The Wedding of Kayleigh and Julian

The Wedding of Kayleigh Hood and Julian Wallis both of Leiston took place at St. Peter's Church Monk Soham on Saturday 2<sup>nd</sup> July 2022 at 2pm, led by Rev'd Rebecca Artiss.

The bride was given away by her father Bob Hood. They were supported at the service by family and friends. The church bells ringing out before and after the wedding on this sunny day completed a joyful afternoon for the happy couple.

Thank you to all those who gave such generous donations for the white elephant stall. The fete was a fantastic event as a result of the truly amazing effort by those who organised it. They deserve a huge round of applause and a rest !

*While the Four Rivers Benefice is in interregnum (with no priest-in-charge), the letters are being written by the other clergy in the benefice.... this month, Revd David Mulrenan.*

Dear friends and neighbours

Well, it's August and we are well past the halfway mark in the year now. Many people will be looking forward to some quality time to spend with their family and friends in the hope of balmy weather, barbecues and holidays. Of course not everyone has the time or perhaps the money, at the moment, to travel to exotic destinations but whatever your pocket can run to, it's very important to put aside that time to rest and recuperate.

I remember as a child at school being asked what my favourite month was. I couldn't decide between May (when my birthday is) and December (because of Christmas). Both of these months meant celebration to me and, to some extent, they still do. A lad called Clive was asked the same question. He answered August. "Why is that?" said the teacher, "is that when your birthday is?" Clive gave an irritated grunt and answered, "No! That is the only month in the year we don't have to go to school!"

I recall being confused by that answer as I always liked school, but now I see his point. He associated that month as a time he can fully relax, wind down and have some fun.

Spending time with your family, especially as they live a fair bit away as mine do, is essential to our well-being. It's an opportunity to catch up with and give those you love your full attention. The same applies to your friends.

Christian church-goers often get a bad press for being severe, hard-labouring and abstemious. That is far from the truth in my experience as we take a good example from Jesus to very often share food and drink with our friends. Lent Lunches, Parish Picnics, Harvest Suppers are to name but a few occasions. Jesus himself was not in any way averse to rejoicing with his friends. The Bible relates to many get-togethers and sometimes with those who were considered a very inappropriate choice of dinner guest.

He is reported to have spent a great deal of time on his own, retreating to meditate regularly and even falling asleep in a boat on Lake Galilee during a violent storm.

The fact is, that now it looks like the imminent danger of COVID appears to be subsiding, we owe it to ourselves and those closest to us to have some downtime. Constant striving is not beneficial to our well-being, medically, physically or psychologically.

So let's be kind to ourselves these pitifully short months of summer. Take a lead from Christ!

With blessings, David Mulrenan, Associate Priest

## BEDFIELD AND MONK SOHAM GARDENING CLUB

A big thank you to all who contributed to making our fete **plant stall** such a success, we made just over £300. The profits will be shared between charities and community projects. Keep an eye on our Daisy Cottage (IP13 7JD) plant stall where new plants have been added. A big thank you to Debbie P for maintaining this stall, including watering! Thank you also to those invaluable others who quietly get on with doing vital work such as watering the newly planted trees etc.

**August 12th 7pm Garden visit** The Lodge, Monk Soham, IP13 7EN. Not only do we visit Gay and Geoff's beautiful tranquil garden, with the owners on hand, but our ever-amazing hosts are also offering the opportunity to play a selection of **Garden Games**, followed by tea/coffee and cake, whilst watching a stunning sunset! (And if it pours, don't miss the opportunity for e.g. bagatelle and other treats!)

Our **Community Seed Swap** continues at Bedfield Hub, Tuesday mornings 9.15 am - 12 noon. Everybody is welcome to take a look, or donate any labelled, unwanted, excess or harvested seeds (and treat yourself to the Hub's legendary home-made baking and a hot drink, 10 am - 12 noon).

Meanwhile, happy gardening and some rain please!

Barbara (Lee)

## WORLINGWORTH GARDENING CLUB

In August our club doesn't arrange any visits as not only it is an awkward month in the garden it is also a time when people go on holiday. However we will be up and running again in September and a visit will be happening on Wednesday 28th ... which the last Wednesday of the month. For further info Contact Judith,

Phone 07747 023 994 or email judesmallco@icloud.com

## **LOST PROPERTY St Marys Church**

There are a number of flower containers and other items in the church that are not belonging to the church, these will be left on a table near the font for people to come and collect on Tuesday, Wednesday and Thursday, August 16, 17 and 18. Anything left after these dates will be disposed of. Please do take everything that is yours. Thanking you for your help . Ann.

***The next meeting of the Parish Council is on  
Wednesday 17<sup>th</sup> August 2022 at 7.30pm  
in the Community Centre***

Minutes of previous parish council meetings can be viewed on the village website at [www.worlingworth.onesuffolk.net](http://www.worlingworth.onesuffolk.net)

**New Councillor** – parishioner Andrew Luton has stepped up to take on the role of Parish Councillor, Andrew is looking forward to taking a more active role in the community. This brings our Council back to full complement and we thank all our Councillors for their voluntary work on behalf of the village.

**Tree Monitoring – Volunteers & Suitable Trees Sought** – our hardworking Tree Warden has attended a workshop about tree health. As part of a project with universities in Newcastle and Strathclyde scientists are looking for trees to monitor across Suffolk. This would involve inserting a ‘Tree Talker’ device into a tree (using a couple of probes) and uploading the data periodically. If you think you have a tree that would be suitable then please let Tree Warden Francis Muldoon know by making contact with him on 01728 627166 or [j50fjm@gmail.com](mailto:j50fjm@gmail.com)

This project would be suitable for either those who have a tree, or who are tech savvy – so even if you don’t have a tree, but would like to be involved then please make contact, as we may have people who have suitable trees, but are concerned they may not be able to manage the technical side.

**Welcome Pack Distributors** – The lovely volunteers who have helped with distributing welcome packs to new residents for many years are now moving out of Worlingworth. We are therefore seeking someone else to take on this role. If you are willing to help then please contact the Parish Clerk. Also, if you have moved into the village recently and haven’t received a pack then do get in touch, so we can make sure the information is shared.

**Fly Tipping** – Unfortunately there has recently been a spate of fly tipping across the region. If you spot anything then please report it via the District Council website: <https://www.midsuffolk.gov.uk/waste-services/everything-else-in-waste/report-litter-and-fly-tipping/>

Please **do not** touch the waste - it may contain syringes, toxic chemicals or other hazardous substances and disturbing the site may destroy evidence that could help identify the fly tippers and lead to their prosecution.

## Open Gardens June 25th/ 26th

After 3 years 12 Worlingworth and Southolt residents opened their gardens to the public on behalf of St Marys Church. The event was a great success and we are thinking of doing it again next year. So watch this space for dates.

One of the gardens opened was John and Rita Ridgwell who had opened their garden in many previous years, but sadly they have now left the village at the end of July.

They will be greatly missed by the church the village and the wider community we all wish them both every happiness in their new home in Woodbridge .

This was the winning poem at the Jubilee competition

By Jane O'vel

### What It Means to Have A Queen

70 years. A lifetime and more.  
She has reigned without complaint  
Sometimes betrayed by those  
Who should love her most.

And still she is gracious  
Making an effort when many would decline  
Smiling, waving, perhaps consumed with loss  
For the love of her life, her mainstay, her rock.

Who could forget her sitting alone  
Poignant in black, pale with grief.  
She did not protest that we mourned with her;  
But sat silently, serenely, with her sorrow.

And today, our Queen, we celebrate you  
Who has taught us the meaning of duty,  
So much more than an old lady of ancient years,  
But a lesson in fortitude, honour, and grace

Bedfield children also took part in the Bedfield and Monk Soham summer fete, singing the Abba song 'Mamma Mia'. Many of the children also helped on our Friends At Bedfield School (FABS) stall where children could take part in the Teddy Bear Shy, Sweet Tombola or have their faces expertly painted by some very talented parents. The wonderful weather helped us raise just over £830 which will be used to support the school and the children. In addition we are very grateful for the support of the community who have bought raffle tickets in our summer raffle.

All of the **KS2** children took part in the annual summer production which this year was The Pied Piper of Hamelin and they did an amazing job of performing with some budding actors and singers among them.

The outgoing Year 6 children were also involved in a week-long residential trip to Hautbois Activity Centre in Norfolk. The children had a great time canoeing, abseiling and taking part in team building activities.

We've had a full and busy year at Bedfield School and are all looking forward to a summer break, especially with the weather being so warm - fingers crossed it stays like this until we return to school again in September.

A little note to remember to keep on recycling items at our recycling shed as this will be emptied regularly over the holiday period.

A big thank you to all the parents who have supported the school this year and of course thank you to all the teachers who work so hard to ensure that all the children are enjoying their learning and progressing in their learning journeys.

This term we have been supported by Mrs Lynne Golding as our executive head and in the autumn term we will welcome our new permanent executive headteacher Ms Imogen Wallis who will be joining us with new and exciting ideas to support us through the next school year.

Please do visit our website for regular updates of events happening at the school and for any new galleries to look through. We hope you have a lovely summer and look forward to sharing our news with you in September.

## Bedfield School

We've finally made it to the end of term! Our Y6 leavers assembly took place in the last week of term and despite the heat we were able to say an emotional goodbye to our oldest pupils. We wish them all good luck and happiness for the next stage of their learning journeys. To quote Mrs Sills and Dr Seuss "There is no one alive who is younger than you" so dream big, believe in yourself, and make the most of every opportunity offered to you.

**Class I** visited the Fire Station at Ransomes Euro Park this half term, a delayed trip from the autumn term linked to their Great Fire of London topic. The children learnt about all the equipment that a fire engine has to carry to every emergency. The highlight of the visit was a chance to use the hose and to climb inside the cab of the fire engine. The children also learnt some fire safety tips linked to their PSHE lessons.

We also welcomed new reception children to school for our Teddy Bears Picnic. The new children stayed for the morning and enjoyed a picnic lunch on the field with the rest of Class I. We made party hats for our teddies and played some fun games to introduce them to what their days might be like at Bedfield School.

Photos of all these events can be found on our school website.
