Rogation Walk 11 a.m. from the church on Sunday, 14th May

Please join us as we walk to various points in the village, (including the pub!) to give thanks for the land and all that grows in it. Despite Rogation Walks being started in villages in the middle ages, they have become all- important now that we are facing such an ecological crisis with global warming. Families will be especially welcome and I am sure we can keep the youngsters happy with a task or two! Do come along and join us!

I would like to say thank you for the kind words, cards and flowers I received following the death of Jonathan. They were all very much appreciated. Thanks to Susan Whymark Funeral Services for the excellent arrangement of Jonathan's final farewell. A big thank you also to Leigh at The Queen's Head in Eye for the amazing catering. And finally, thanks to all our friends who gave so generously of their time, behind the bar and in the kitchen, and to all of you who attended, for making the afternoon one that Jonathan would have truly enjoyed. Love Annie x

## MONDAY MAY 8<sup>TH</sup> – THE BIG HELP OUT DAY

The Parochial Church Council and Local History Group are organising events at the churchyard on this day.

From 10 am until 12 noon, we intend to tidy up grave enclosures and carry out general churchyard maintenance. If you would like to help, please turn up wearing stout footwear with your gloves, loppers and secateurs and we will put you to work.

From 1 pm until 3 pm, we shall be holding a churchyard picnic at the north-east side of the church. Please bring along your own fold-up chairs and a small picnic! During the afternoon, Geoffrey Robinson will be giving an illustrated talk about a family grave plot of important people from Worlingworth's past. Plenty of scandal here so it is not to be missed! This event is free but donations to the church would be welcomed. If the weather is inclement, we will move the event to the Tuesday afternoon.

May 2023 letter from Revd Enid

This month there is a lot of Kingdom talk. Firstly of course we have the coronation of King Charles III which many people are excited about. Secondly though, on the 28<sup>th</sup> of May we have the great celebration of the Kingdom of God called Pentecost. Pentecost, the celebration of the day the Holy Spirit was sent to be with us. The Holy Spirit who brought the people of God alive with hope, who brought new ability and possibility to the people of God in the early church. He came not with a whisper but a roar of power and led them from a fearful and broken place into new life. As a consequence of Pentecost, 3000 people came to faith in one day in one very small place. That Pentecost experience has been repeated again and again across the world with millions of people believing. It has happened several times already in Britain, what if it were to happen here? We in the northern hemisphere are at the very time in our year, in the cycle of seasons, when we are seeing new life busting out all over! Consequently, it perhaps makes it easier for us not just to celebrate the the Holy Spirit acting in the past, but to exuberantly celebrate bursting in upon us again and breathing new life and vigour into us as God's holy Kingdom people.

When we struggle, when we feel tired, when we wonder if we can achieve what needs to be done (or truthfully perhaps before we are reduced to this level!), we need to call upon the Holy Spirit and ask to be filled again and refreshed with his life-giving power. Our God loves us and wants us to do well, wants us to succeed and wants us to proclaim his eternal Kingdom in all the world.     God bless,   *Reverend Enid*

**Staging Available for All Village Organisations to Use**

One item that came up in discussion at the Annual Parish Meeting is the funding that was provided to the Primary School to purchase foldable, portable staging that can be easily configured into a variety of layouts. This staging was purchased using Community Infrastructure Levy funds and on the understanding that, although being stored at the Primary School, it would be freely available for other village groups to use. If your group would like to borrow the staging at any time then please liaise directly with the Primary School to make arrangements.

**Elections 2023 – Two Councillor Vacancies** It is too early to confirm the outcome whilst writing this report, but as it stands there will be an uncontested election for Worlingworth Parish Council. We have had seven nominations for nine seats, so as long as everyone completes their Acceptance of Office forms at the May meeting of the Council, we will still be running with two vacancies, which can be filled by co-option. Therefore, if you are interested in becoming a Parish Councillor please come along to the meetings and find out more.

**Worly Watch – Virtual Neighbourhood Watch Scheme** Please see the village website for details on how to sign up to this virtual scheme to help keep the parish safe.

**Have you just moved in to Worlingworth, or do you know of someone who has? Please contact Jane Butler on 01728 628330 so she can deliver a copy of the “Worlingworth Welcome Pack”, free to all newcomers to the village.**

## WORLINGWORTH CEVC PRIMARY : OUR MONTHLY NEWS

**Whole School Topic** We have a wonderful new topic this term called 'Up, Up and Away!'. This topic will focus on two of our curriculum cogs – communication and creativity. Each class will be studying this topic in different ways. Elgar Class will begin by weaving into their learning finding out about vehicles that fly ; Vivaldi Class will learn about the history of flight; Britten Class are becoming historians studying the arrival of the American Airforce to Suffolk during WW2, whilst our oldest pupils in Chopin Class, will be learning about the reasons for and the events of the Battle of Britain and the significant impact it had on changing the course of events. This is a wide-reaching and engaging topic that will allow the children to be curious, to ask and seek answers to their many questions and to understand how both the power of creativity and communication resulted in our world becoming full of aviation success and challenges during the last 150 years. In June, to enrich their learning all the children will be flying off to visit the Duxford Air Museum – what an exciting adventure!

**Willows Nursery Open Morning** Our full-time nursery is a hive of activity and learning. It is a happy, caring place full of busy and confident learners. This month we are holding a special **Open Morning on 17<sup>th</sup> May from 10-11.30am** to invite new parents to come and visit our Early Years class, meet the team and see the curriculum in action. Please contact the office if you would like to attend or if you would like to arrange a visit at an alternative time.

**Summer Sports** The Summer term always provides the opportunity to get more active and learn new sports and physical skills. This month we have an exciting whole school day learning the skills of Bollywood dancing with a specialist teacher and our Year 5 and 6s will be completing their Bikeability training. We will also be thinking about how we can use our bikes, feet and scooters more to get about and leave the car behind as part of Walk to School week in May.

**Collective Worship** This term our Rainbow Value is Friendship. The children will be exploring the concept of friendships in Collective Worship, how to be a good friend and why friendship is so important as a citizen of our world. We shall learn and reflect on the teaching of friendship in the bible and how Christians demonstrate friendships to others as part of their faith and learn some new hymns to celebrate our friendship together a community.

**Coronation Celebrations** To celebrate the King's Coronation, we are holding a special Coronation afternoon this month. The children will come to school dressed in red, white and blue and we will be making crowns and singing our special Coronation song at the start of Collective Worship. An exhibition of portraits of King Charles by the children will be displayed at the Community Centre during the Coronation weekend. Do pop along and admire their artistic skills!

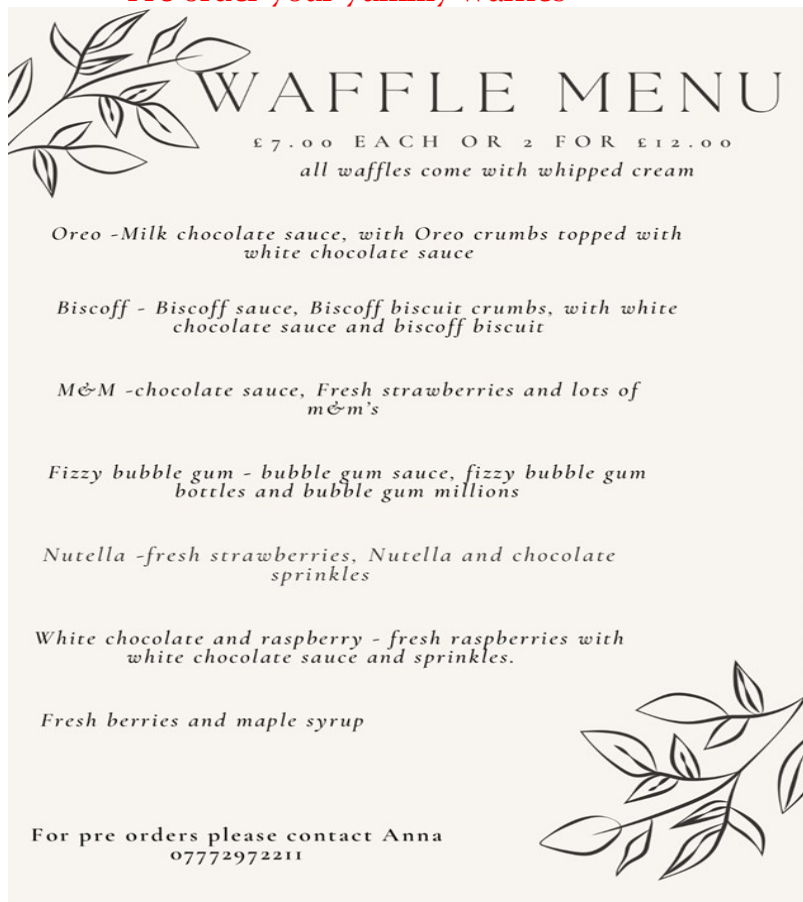

**Year 6s** For our hardworking year 6s this will be their final term at primary school and as well as continuing to complete their primary curriculum learning and try their best in their SATs this month, they will begin to focus on their transition to High School. Part of this transition is to plan their project to raise funds towards their special Year 6 hoodies. This fun but important project encourages them to problem solve, work together as a team, write publicity and explain their ideas to others as well as setting a budget and managing costs and income. It links well to our cogs of creativity and communication. We wish them lots of success this term in all they do and look forward to participating in their fundraising event.

**Bags To Schools** Just a reminder that we are collecting unwanted clothing and sheets etc to raise funds for the school. Bags are available from the school office and should be returned to school on the morning of

**TUESDAY 16th May** ready for collection. Many thanks.

**Too Many Plants ?** If you have any spare vegetable or flower plants then the School gardening Club will make good use of them! Please drop them off in the school office . Thank you

### Village Newsletter May 2023

We can't believe Spring term has already gone by - it was such a busy one! The children took part in a host of activities evidencing their ever- deepening skills and talents. We remain very proud of them.

### Vision Day – The Mustard Seed

On 28<sup>th</sup> March we held our first Vision Day. The children planted mustard seeds pledging their future aspirations. They plan to pursue a wide range of careers in the future, and it was heart- warming to hear them read out to parents, guardians, and teachers.

### Mothering Sunday at Church

Reverend Chrissie was extremely pleased that many Bedfield families were able to join her in Church for a special Mothers' Day Service when Iris read her Mothers' Day prayer. We are grateful for Reverend Chrissie's continued visits to support the children writing and presenting prayers in Collective Worship. The children were thrilled that many of their messages to mums were featured in the local press, broadcasting their appreciation to a wider audience.

### Easter Service

The children performed The Easter Story at Church on 30<sup>th</sup> March as part of the Easter Service. Although they had limited rehearsal time, all the children took part, making a potent contribution. We were particularly proud of our Year 6s who showed their growing maturity in reading the narration, in particular Daniel in the role of Jesus. Reverend Chrissie said she would now always associate him with this part!

## Crazy Hair Day

Our last day of term – Friday 31<sup>st</sup> March, was Crazy Hair Day. The children came into school with lots of weird and wonderful hair styles in a rainbow of different colours to support Mrs Langford and Mrs Coker's Walks to raise funds for Addenbrookes Hospital and School Funds.

Well done to Mrs Coker and Mrs Langford who completed their first walk on Saturday 14<sup>th</sup> April. So far they have raised over £1000 for the two causes, there is still time to sponsor them!

## Summer Term

We are looking forward to an exciting and busy term, swimming for the whole school, Coronation activities, Y6 residential, Sports Day, Production and lots of fun learning!
