SUMMER-TIME QUIZ 2015

IN AID OF WLHG FUNDS

THE "REMEMBERING WATERLOO" QUIZ

Thank you for taking part in our Summer Quiz.

The answers are given opposite.

The judge's decisions are final.

ANSWERS/QUERIES - SOME COMMENTS

Q2 and Q15 had two acceptable answers each. For Q2, RAF Chigwell was not a base for fighter squadrons during the Battle of Britain.

Q12 could be argued about because the Abbey Road station is on the Docklands Light Railway, not on the main London Underground system. However over 75% of entrants, who sent in their answer forms, gave that answer.

For Q23, quite a few of you gave the answer 'Oxford Circus'.

Q47 was a tricky answer. Canary Wharf was not acceptable as it does not fit the criteria in the question.
